

DOMINATOR™ EASY ROLLER 14

HIGH ROLLING SHEET DOORS

Your 'go to' rolling door opener

The EasyRoller builds on decades of innovation to deliver a slim, reliable and secure rolling door opener. Suitable for all residential roller door application, it is compatible with Automatic Technology's Smart Phone Control Kit and Wireless Safety Beams.

Featuring a strong 600N DC motor, EasyRoller 14 is designed to reliably lift and lower residential roller doors. The opener comes with TrioCode™128 Remote Controls and bright LED courtesy light for convenience. EasyRoller 14 features soft start-and-stop functionality reducing door stress and less damage to the door, helping it last longer.

WHAT'S INCLUDED:

Opener with
LED Courtesy Light

Wireless wall button
+ 2x TrioCode™ 128
Remote Controls

Wired
Safety Beams

AT A GLANCE:

SECURE & RELIABLE TRANSMITTERS

The TrioCode™128 transmitter system ensures secure and reliable home access. It transmits on three frequencies to defeat radio interference, and uses a 128-bit encryption protocol for the ultimate in security.

KEY FEATURES

- 600N DC Motor
- Soft Start / Soft Close
- Slim fit design
- LED Courtesy Light
- Intelligent Safety System

ADAPTORS AVAILABLE TO SUIT DIFFERENT DOOR TYPES

Opener comes with adaptors for most sheet door drum types as well as an optional Live Axle Kit to suit live axle doors.

SOFT START / SOFT CLOSE

The Soft Start / Soft Close feature ramps speed up and down at the start and end of each cycle, therefore reducing stress on the door and opener.

INTELLIGENT SAFETY SYSTEM

If contact is made with an obstruction while moving, the opener either stops or reverses the door to reduce the risk of injury or property damage.
