4 Button Remote

Each button on the remote can be programmed to perform a different function, on the same operator, or a different one.

To program please refer to your operator's manual for intructions on learning new remotes.

IMPORTANT SAFETY INFORMATION

READ BEFORE USE. KEEP FOR FUTURE REFERENCE.

⚠ WARNING - MOVING DOORS AND GATES

This remote control operates automatic doors and gates. Moving doors and gates can cause serious injury or death.

- Operate only when the door or gate is in full view
- Keep people, pets and objects clear of the moving door or gate
- Do not allow children to play with this remote control
- Never operate a door or gate if it is damaged or malfunctioning

⚠ WARNING - KEEP REMOTES AWAY FROM CHILDREN

This remote is **not a toy**.

- Keep out of reach of children
- Store securely when not in use
- Never allow children to operate doors or gates

⚠ INSTALLATION AND USE LIMITATIONS

- For use only with compatible door and gate operators
- Use only as instructed by the manufacturer
- Do not modify this product
- Modification voids authority to operate and warranty

DANGER - BUTTON / COIN CELL BATTERY

Contains a non-replaceable lithium coin cell battery.

KEEP OUT OF REACH OF CHILDREN

Swallowing a lithium button or coin battery can cause **severe or fatal injuries within 2 hours.**

- This product contains a **non-replaceable battery**
- The battery compartment is secured with one-way screws
- Do not attempt to open, crush, puncture or burn
- If you think a battery has been swallowed or placed inside any part of the body, **seek immediate medical attention**

WARNING - BATTERY SAFETY

- Do not expose to fire or high temperatures
- Do not recharge
- Do not short-circuit
- Dispose of in accordance with local regulations

USA AND CANADA

TRANSMITTERS COMPLIANCE STATEMENT

This device complies with Innovation, Science and Economic Development Canada's licence-exempt RSS(s).

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This equipment complies with the FCC and ISED Canada radiation exposure limits set forth for an uncontrolled environment. In order to comply with FCC and ISED RF Exposure requirements, this device must be installed to provide at least 20 cm separation from the human body at all times.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult your local dealer or an experienced radio/TV technician for help.

WARNING: Any changes or modifications not expressively approved by the grantee could void the user's authority to operate this equipment..

DÉCLARATION DE CONFORMITÉ DE L'ÉMETTEUR

L'émetteur/récepteur exempt de licence contenu dans le présent appareil est conforme aux CNR d'Innovation, Sciences et Développement économique Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes:

1. L'appareil ne doit pas produire de brouillage ;
2. L'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

Cet équipement est conforme aux limites d'exposition aux radiations de la FCC et d'ISED Canada établies pour un environnement non contrôlé. Afin de se conformer aux exigences d'exposition RF ISED, cet appareil doit être installé pour fournir au moins 20 cm de séparation du corps humain en tout temps.

REMARQUE: Cet équipement a été testé et déclaré conforme aux limites applicables à un appareil numérique de classe B, conformément à la partie 15 des règles de la FCC. Ces limites visent à assurer une protection raisonnable contre les interférences nuisibles dans une installation résidentielle. Cet équipement génère, utilise et peut émettre de l'énergie radiofréquence et, s'il n'est pas installé et utilisé conformément aux instructions, peut causer des interférences nuisibles aux communications radio. Cependant, il n'est pas garanti qu'aucune interférence ne se produira dans une installation particulière. Si cet équipement cause des interférences nuisibles à la réception radio ou télévision, ce qui peut être déterminé en éteignant puis en rallumant l'équipement, l'utilisateur est encouragé à essayer de corriger l'interférence par une ou plusieurs des mesures suivantes :

- Réorienter ou déplacer l'antenne de réception.
- Augmenter la distance entre l'équipement et le récepteur.
- Brancher l'équipement sur une prise d'un circuit différent de celui auquel le récepteur est connecté.
- Consulter votre revendeur local ou un technicien radio/TV expérimenté pour obtenir de l'aide.

AVERTISSEMENT: Tout changement ou toute modification non expressément approuvé par le bénéficiaire peut annuler le droit de l'utilisateur à utiliser cet équipement.

AUSTRALIA AND NEW ZEALAND

REGULATORY COMPLIANCE

This device complies with applicable **Australian and New Zealand radio communications and electrical safety requirements.**

The supplier declares that this device conforms to the **Radiocommunications Act (AU)** and applicable **AS/NZS standards**.

ALL REGIONS

BATTERY DISPOSAL

- Do not dispose of this product or its battery in household waste.
- Dispose of in accordance with **local environmental regulations**.
