

# EASY ROLLER® GDO-6 GEN2

## RESIDENTIAL ROLLER DOOR OPENER

### Simple, compact and slimline roller door opener.

The EasyRoller® builds on decades of innovation to deliver a slim, reliable and secure rolling door opener. Suitable for all residential roller door applications, it is compatible with Automatic Technology's Smart Phone Control Kit and Wireless Safety Beams.

Featuring a strong 600N DC motor, EasyRoller® is designed to reliably lift and lower residential roller doors. The opener comes with TrioCode™128 Remote Controls and bright LED courtesy light for convenience. EasyRoller® features soft start-and-stop functionality reducing door stress and damage to the door, helping it last longer.

#### WHAT'S INCLUDED:

Opener with LED Courtesy Lights

2x TrioCode™128 transmitters

Wireless Wall Remote

#### AT A GLANCE:

##### SECURE & RELIABLE TRANSMITTERS

The TrioCode™128 remote control ensures secure and reliable home access. It transmits on three frequencies to defeat radio interference, and uses a 128-bit encryption protocol for the ultimate in security.

##### POWERFUL MOTOR

This EasyRoller® 600N DC motor reliably operates doors up to 110kg<sup>†</sup>

##### LED COURTESY LIGHT

A Courtesy Light means your immediate surrounds can be lit to provide security and convenience, and being an LED light source you know it's going to last.

##### 7 YEAR WARRANTY

The Series 2 EasyRoller® is backed by a 7-year/20,000 cycle warranty\*, giving peace of mind.

<sup>†</sup>When maximum spring balanced weight is 20kg.

\*Please see full warranty terms and conditions on our website. This brochure is not evidence of our warranty. Our warranty is in addition to any consumer guarantees that may apply under the Australian Consumer Law.
