Ali is a 17-year-old girl full of fire — searching for freedom, passion and her place in the world.

How she finds them is a New York City coming-of-age story you've never felt before — **HELL'S KITCHEN**, a new musical from 17-time Grammy® Award winner Alicia Keys, whose new songs and greatest hits about growing up in NY inspire a story made for Broadway.

Rebellious and stifled by an overprotective single mother, Ali is lost until she meets her mentor: a neighbor who opens her heart and mind to the power of the piano. Set to the rhythm of the '90s, **HELL'S KITCHEN** is a love story between a mother and daughter. It's about finding yourself, your purpose and the community that lifts you. Come remember where dreams begin.

Hailed as a *New York Times* Critic's Pick that is "thrilling from beginning to end — a rare must-see!" **HELL'S KITCHEN** is directed by four-time Tony Award® nominee Michael Greif, with choreography by four-time Tony Award® nominee **Camille A. Brown**, a book by Pulitzer Prize finalist **Kristoffer Diaz** and the music of **Alicia Keys**.
