WICKED returns home to the Bay Area to cast a spell on audiences once again. The Broadway sensation looks at what happened in the Land of Oz...but from a different angle. Long before Dorothy arrives, there is another young woman, born with emerald-green skin—smart, fiery, misunderstood, and possessing an extraordinary talent. When she meets a bubbly blonde who is exceptionally popular, their initial rivalry turns into the unlikely of friendships...until the world decides to call one “good,” and the other one “wicked.”

From the first electrifying note to the final breathtaking moment, WICKED—the untold true story of the Witches of Oz—transfixes audiences with its wildly inventive story that *TIME Magazine* cheers is “a magical Broadway musical with brains, heart and courage.”
