IF YOU HAVE FORWARDED OR SOLD YOUR TICKETS, PLEASE PASS ALONG THIS INFORMATION. IF YOU ARE A GROUP LEADER, PLEASE MAKE SURE ALL MEMBERS OF YOUR GROUP RECEIVE A COPY OF THESE PROTOCOLS.

ARRIVING AT THE THEATRE

- Doors to the theatre lobby will open 90 minutes prior to showtime.
- Please plan to arrive early to ensure that you have plenty of time to have your tickets scanned, enjoy a drink at the bar, use the restroom, and take your seat for the start of the show.

TICKETS

Your tickets will arrive as a PDF attached to your confirmation email sent from **ATG Tickets**. You can **present your eTickets on your phone for entry or you can print out your eTickets PDF** at home and present the printed PDF at the venue entrance.

If you can't find your eTickets please try these tips:

- Check your email spam, deleted or junk folders.
- Search "atgtickets" or "ATG tickets" in your email search to retrieve all emails from us.
- Make sure the right email address is being used. eTickets will be sent to the email address provided at the time of booking.

How to use an eTicket:

1. Open the ticket confirmation email which has the PDFs attached. This is separate to your order confirmation email.
2. Download the PDF eTickets to your phone.
3. Display the eTickets to staff when you arrive at the venue. Please ensure that your phone is on maximum brightness and not in "dark" mode.
4. Do not close your ticket screen until the ushers have shown you to your seat location. This will save you from needing to download the ticket again.
5. Please contact our phone center at (313) 887-1256 for assistance with your order. You can also visit the FISHER THEATRE box office during regular [box office hours](#). If it is the night of the event, please arrive extra early to allow time for our box office to assist you prior to the performance.

How do I add my eTickets to Apple Wallet?

- We'll send you your eTickets attached to your order confirmation email, unless specified that these will be sent at a specific time. If available, links will be visible in this email directing you to 'Add to Apple Wallet' next to each seat. Clicking on each link will add that seat's eTicket to your Apple Wallet. When you arrive at the venue, please present the pass for scanning.
 - Please note that Apple Wallet is intended for use with Apple products only, such as iPhone, iPod and Apple Watch. Third-party apps are available to download the pass onto an Android device.
- For more information about using Apple Wallet, please visit the [Apple Official Support Page](#).

Forwarding Your Tickets

- You will receive one PDF via email which will have multiple pages with each of your tickets. If your entire party will not be arriving together, you can forward your eTicket confirmation to other members of your party, however, we STRONGLY recommend that you do one of the following things when forwarding your eTickets.
 - Communicate clearly to the members of your party which ticket they should have scanned on arrival as only one scan per ticket is allowed. For ease of entry, your guests should make sure their ticket/seat is showing when presenting their eTicket to be scanned.
 - Print out your PDFs at home and distribute physical printed pages to your guests prior to arrival.
 - Use a PDF editor program (such as AdobePro) to extract each PDF ticket as its own file, or print each page separately as its own PDF and send the tickets to your guests. ONCE AGAIN: If you choose to do this, be very careful which tickets you send.
