*The Phantom of the Opera* is widely considered one of the most beautiful and spectacular productions in history. First directed by Harold Prince with musical staging and choreography by Gillian Lynne, the brilliant original production has played to over 160 million people in 47 territories and 195 cities in 21 languages. Andrew Lloyd Webber's romantic, haunting and soaring score includes "The Music of the Night," "All I Ask of You," "Wishing You Were Somehow Here Again," "Masquerade" and the iconic title song. It tells the tale of a disfigured musical genius known only as 'The Phantom' who haunts the depths of the Paris Opera House. Mesmerized by the talents and beauty of a young soprano—Christine, The Phantom lures her as his protégé and falls fiercely in love with her. Unaware of Christine's love for Raoul, The Phantom's obsession sets the scene for a dramatic turn of events where jealousy, madness and passions collide.
