Go back to where it all began with this concert event! Featuring a soundtrack that blends symphonic orchestral music with hip-hop, SPIDER-MAN: INTO THE SPIDER-VERSE LIVE IN CONCERT pairs a screening of the Academy Award®-winning animated film with live musicians and turntables featuring a DJ scratcher live on stage. Emmy® winner Daniel Pemberton composed a sprawling score of boundary-pushing original music that is complimented with song contributions by Post Malone, Lil Wayne, Jaden Smith, and Nicki Minaj. The hip-hop based score results in a sonic universe that is woven throughout the fabric of the film, supporting its themes of resilience and universal heroism.
