From the creators of the global hit Avatar: The Last Airbender in Concert comes the next chapter, **The Legend of Korra in Concert**. Celebrate 15 years of The Legend of Korra with a breathtaking live concert experience that brings the groundbreaking sequel to life through a live symphonic performance paired with an immersive cinematic experience. Follow Korra, the rebellious next Avatar after Aang, as she navigates a world on the brink of revolution alongside Asami, Bolin, Mako and Tenzin. Across a two-hour visual journey through all four seasons of the iconic animated series, projected on a full-size cinema screen, audiences will experience the original dialogue and sound effects intact while a powerful live orchestra performs the legendary score in perfect sync with the action on screen. All brought together by the music of Emmy® Award-winning composer **Jeremy Zuckerman** and original series editor **Jeff Adams**. The Legend of Korra in Concert is an unforgettable way to experience one of the most beloved animated worlds of all time. Whether you're rediscovering the series or celebrating it anew, this is the best way to experience its legacy on the big screen.
