

**JUVENILE  
AND THE 400 DEGREEZ BAND**  
Fisher Theatre • September 7

*Juvenile's* latest album *Rejuvenation* features Rick Ross and collaborations with Lil Wayne, DJ Khaled and Drake. The rapper is known for his incendiary live shows, which bring his signature New Orleans style to the stage. "Back That Thang Up" is usually the song that gets the audience up and dancing, but ticket buyers can expect him to perform a good smattering of hits throughout his career during a concert. He nails his vintage hits, like "Set It Off," and mixes up his classics with newer stuff, like the bass-thumping "Mardi Gras," "They Sleeping On Me" and "Power," his newest single with Rick Ross. He'll have you waving your arms back and forth as he marches across the stage with his posse behind him, backing him up.

**KURTIS CONNER:  
THE GOODFELLOW WORLD TOUR**  
Fisher Theatre • September 22

Kurtis Conner is back on the road with his biggest project yet: *The Goodfellow World Tour*. A sell-out performer, podcaster, and global YouTube sensation, Conner is bringing his freshest, funniest material yet to the stage. After studying comedy writing and performance in Toronto, Conner quickly found an audience on Vine, later migrating to YouTube and growing that audience to over 5 million subscribers worldwide.

Last year, 2023 was a banner year for Conner; he was named one of *Variety's* "Top 10 Comics to Watch," partnered with Just For Laughs as a featured artist and sold out theaters across Australia and New Zealand. Conner isn't missing a beat in 2024, embarking on his largest tour yet in theaters across the globe.

Outside of touring stand up, Conner's videos regularly hit the top ten trending page on YouTube, and he hosts the *Very Really Good* Podcast.
