

JAN 24 & 25, 2025 • FISHER THEATRE

Brace yourself for the scare of a lifetime, as the world of Insidious jumps off the screen and into your theater seat with **INSIDIOUS: THE FURTHER YOU FEAR** – an immersive live horror experience that brings your darkest nightmares to life right before your eyes. **INSIDIOUS: THE FURTHER YOU FEAR** is an all-new, thrilling story set in the Insidious universe. Hosted as a live show by the “real” Specs and Tucker, the actual paranormal investigators who inspired the original movie, the event soon takes a turn for the terrifying. When a paranormal demonstration goes horribly wrong, dark forces are unleashed, and the horror becomes all too real. Trapped in a genuinely haunted theatre, with something truly sinister lurking back-stage, the audience will find themselves under attack from such iconic characters as the Bride in Black, the Wheezing Man and, of course, the infamous Red Face Demon. But what is real? What’s just part of the show? And who—or what—might be sitting next to you? The house is full. The stage is set. The Red Door is about to open. Will you make it through?
