Now celebrating 15 record-smashing years on Broadway, THE BOOK OF MORMON is a 9-time Tony Award®-winning musical that follows a mismatched pair of Mormons sent on a mission to a place that's about as far from Salt Lake City as you can get. *Entertainment Weekly* calls THE BOOK OF MORMON "the funniest show ever." *The New York Times* simply calls it "the best musical of this century."

Created by Trey Parker and Matt Stone, the award-winning creators of *South Park*, and Robert Lopez, two-time EGOT winner for Best Original Songs from the musicals *Frozen* and *Coco* and Tony Award-winning co-creator of *Avenue Q*, this smash-hit Broadway musical comedy opened at the Eugene O'Neill Theatre in New York in the spring of 2011 and has gone on to become one of the most successful musicals of all time.

"You'll laugh your head off" (*HuffPost*). "You'll laugh until it hurts!" (*Rolling Stone*).
And isn't it time you had a good laugh?
