

THREE DOG NIGHT **Fisher Theatre • Friday, May 10**

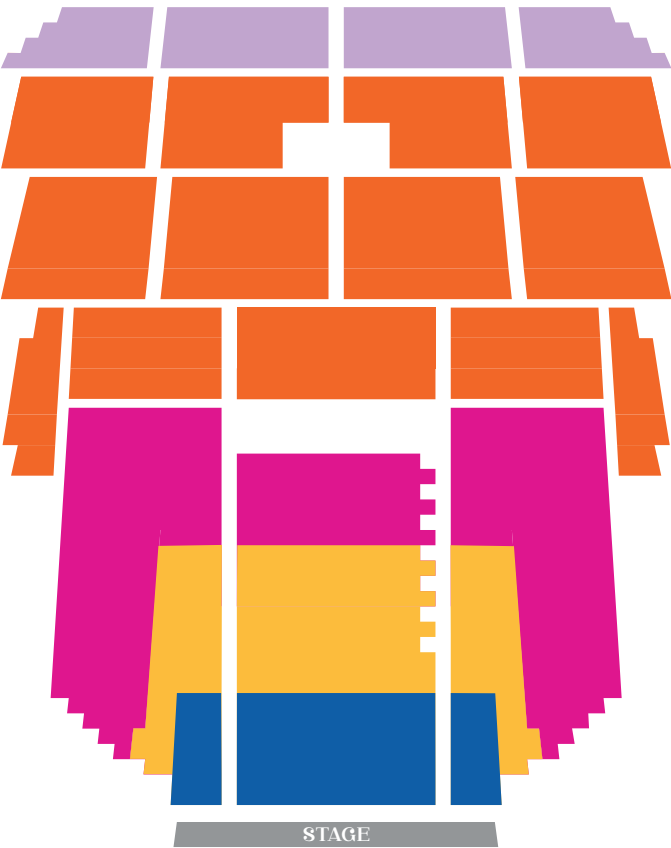

Legendary band, **THREE DOG NIGHT**, now in its fifth decade, claims some of the most astonishing statistics in popular music. From 1969 through 1974, no other group achieved more top 10 hits, moved more records, or sold more concert tickets than **THREE DOG NIGHT**.

Their hits weave through the fabric of pop culture today, whether on the radio where they are heard day in and day out, in TV commercials or in major motion pictures — songs like “Mama Told Me (Not To Come),” “Joy to the World,” “Black and White,” “Shambala,” and “One” serve to heighten our emotions and crystallize **THREE DOG NIGHT’s** continuing popularity. With an upcoming album release, their music transcends time and brings together both new and longtime audiences alike.
