Tony Award®-winning playwright Rupert Holmes brings Supreme Court Justice “RBG” to life in this new play. *RBG* welcomes a friend of the family to her cozy chambers to convey, over the course of ninety fascinating and often funny minutes, a sense of her life and its many trials: losing her mother the day before she graduated as valedictorian of her Brooklyn high school... being one of only nine young women studying law at Harvard while also raising a daughter and helping her husband battle cancer... fighting for women’s rights in the nineteen-seventies before condescending all-male courts... and taking courageous stands for human rights as a voice of reason amid a splintering and increasingly politicized Supreme Court.

An evening with a great and compassionate icon of straight-thinking American justice emerges... an RBG who is not only “notorious” but victorious as she takes a stand for ordinary people facing the many challenges of a changing world.

Bring your scrunchies, your hankies, your humor and your heart to this entertaining and uplifting event!
