Bem-vindo! DOWNTOWN

San Antonio's favorite Brazilian steakhouse is downtown, steps from the Alamo and right across from the Majestic Theatre.

Our gauchos carve fire-roasted **USDA Prime meats** right at your table. Service continues at your own pace until you are satisfied.

THE CHURRASCARIA EXPERIENCE

Every meal begins at our **gourmet salad bar**, filled with seasonal vegetables, imported cheeses, and fresh selections. Warm sides arrive at your table, including pão de queijo, banana frita, fried polenta and creamy mashed potatoes.

USDA PRIME MEATS

A MEAL WORTH THE TRIP

Then the meats follow in steady succession. Choose from **picanha**, **filet mignon**, **ribeye**, **lamb chops**, and more. We serve **only USDA Prime meats**, seasoned simply and grilled over an open flame.

Each cut comes to your table on a skewer, sliced to your preferred temperature. Tell our gauchos what you love, and they will deliver.

SIGNATURE COCKTAILS

Pair your meal with a handcrafted cocktail or a glass from our **curated wine list**. Our bar blends Brazilian flavor with timeless classics, and every drink is made to complement the table in front of you.

Save room for dessert. Our creamy Brazilian flan, crème brûlée and other house favorites offer the perfect ending to *a meal you will remember long after your trip home.*

Reserve your table today and discover why San Antonio loves Chama Gaúcha.
