

SATCH VAI US TOUR: JOE SATRIANI & STEVE VAI

Fisher Theatre • Tuesday, April 16

Fresh on the heels of the exciting G3 Reunion of Joe Satriani, Steve Vai and Eric Johnson, comes **"The Satch-Vai Tour."**

Satch and Vai's musical careers have been intertwined since their very early days. Satriani served as Vai's guitar teacher during their teenage years on Long Island, New York. Their connection has continued to evolve over the years, even sharing record labels, starting at Relativity Records in the late '80s, to both calling Sony/Epic Records home for a significant portion of the '90s. Together, they have also frequently teamed up with a third guitarist on multiple occasions throughout the span of 29 years, participating in the semi-annual G3 Tours, both in the U.S. and abroad.

"The Satch/Vai Tour is happening! I'm so looking forward to sharing the stage with Steve again," exclaimed Satriani. "Every time we play together it takes me back to when we were teenagers, eating and breathing music every second of the day, pushing, challenging and helping each other to be the best we could be. I guess we've never stopped!"

Sharing the excitement, Vai remarked, "Touring with Joe is always a pleasure and an honor. He is my favorite guitarist to jam with, and now we have another opportunity to take it to the stage. I feel as though we are both at the top of our game and that the show will be a powerful celebration of the coolest instrument in the world, the electric guitar!"
