The icon, the legend, Dolly Parton is our muse for Pride this year. With rhinestones, wigs, and heart, she taught us to be unapologetically ourselves, lead with kindness, and how to play guitar while rocking acrylics. She's inspired a new generation of misfits, dreamers, and drag queens with her iconic looks, only to be outshined by her message of radical compassion. Did someone say Dolly look-alike contest? Come dressed ready to shine!

Through music, we affirm our commitment to progress, inclusivity, and love—inviting everyone to join us as we celebrate Pride, honor our history, and sing with joy for a brighter tomorrow!
