

THE PHANTOM OF THE OPERA is widely considered one of the most beautiful and spectacular productions in history. It tells the tale of a disfigured musical genius known only as 'The Phantom' who haunts the depths of the Paris Opera House. Mesmerized by the talents and beauty of a young soprano, Christine, The Phantom lures her as his protégé and falls fiercely in love with her. Unaware of Christine's love for Raoul, The Phantom's obsession sets the scene for a dramatic turn of events where jealousy, madness, and passions collide.
