NEW YORK

RUNNING TIME

2 Hours and 45 minutes,
including one intermission

The most award-winning new musical in West End history is playing to sold-out audiences and capturing the hearts of all ages. Now, Paddington is packing his suitcase and preparing for his next adventure: Broadway. In PADDINGTON THE MUSICAL, a small, lost bear from Peru arrives in London in search of a place to call home. A chance encounter with the Browns leads him into an unexpected world of adventure, where kindness has the power to change lives and strangers can become family.

But London isn't all afternoon tea and friendly faces—and even the seemingly happiest of families can have cracks beneath the surface. So, when a mysterious and vengeful villain sets her sights on Paddington, the Browns embark on a thrilling rescue mission, realizing they need this special bear as much as he needs them.

New York, please look after this bear.
