

1 Year Fixed Rate ISA

(Issue 72)

About the account

The 1 Year Fixed Rate ISA (Issue 72) allows UK residents aged 18 or over to save up to their annual ISA allowance tax-free, so all the interest you earn, you keep. The allowance is £20,000 for 2026/27. With other savings accounts, you may have to pay tax on the interest you earn, depending on your Personal Savings Allowance.

The 1 Year Fixed Rate ISA (Issue 72) allows you to save tax-free for a fixed term of one year. After the first 30 days of opening your account you cannot add further deposits to the balance. You can withdraw your money before the term ends, but you will need to pay an interest penalty fee equivalent to 120 days' interest on the amount withdrawn. The interest rate is fixed until the maturity date, meaning it won't go up or down during the fixed term. This account will mature one year from the date of your first deposit.

You can open and manage the 1 Year Fixed Rate ISA (Issue 72) on the phone, in store or via post. If you have online access, you can also manage this account online and via The Cambridge Money App.
