Dear Shareholder

# BlackRock Funds I ICAV (the "ICAV") BlackRock Tactical Opportunities Fund (the "Fund")

We are writing to you to advise you of certain updates that will be made in respect of the Fund.

The proposed updates set out in this letter will take effect from on or around 5 June 2025 (the "**Effective Date**") and this letter forms notice to Shareholders of the facts set out below.

Terms not defined herein shall have the same meaning as set out in the prospectus for the ICAV dated 17 April 2025 (the "**Prospectus**") (available at www.blackrock.com).

# **Use of a Benchmark Index**

It is proposed to update the Prospectus, with effect from the Effective Date, to include reference to two benchmarks, each of which can be separately used by Shareholders to compare the performance of the Fund (the "**Benchmarks**"), namely:

- ICE BofAML 3 Month Treasury Bill Index or
- 60% MSCI World Index / 40% Bloomberg Global Aggregate Index

The Fund will continue to be actively managed and the Investment Manager has discretion to select the Fund's investments and is not constrained by any benchmark in this process, as described in the Prospectus.

There will be no change in how the Fund is managed arising from these updates.

The Directors are of the view that the updates described in this letter are in the best interests of Shareholders.
