Continuing Professional Development Certificate

RAAC to the future

Date

Wednesday, 29 January 2025

Time

1:00 pm – 2:00 pm

Speaker

John Farrell, Partner, Kennedys Law

In this IIL claims webinar, John Farrell discusses the extent of the use of RAAC in UK construction; focusing expressly on public sector buildings, the estimated costs of replacing the material in buildings and the associated insurance and legal fallout in relation to claims that might arise.

Learning Objectives

- Establishing the scale of the existing problem in relation to RAAC
- The impact on building owners, public authorities, and insurers
- To provide an overview of the latest developments and legal implications associated with RAAC

CII CPD event accredited - demonstrates the quality of an event and that it meets CII member CPD scheme requirements

This activity can count towards your CPD hours where you consider it relevant to your professional development needs.
