

Role Profile: Trainer

The CII Training team provides a comprehensive range of training programmes for insurance and personal finance professionals, including revision days for CII students. It also offers bespoke training solutions to meet company-specific training needs.

The team has experience in collaborating with a diverse range of individuals, providing guidance and assistance from commissioning through to the delivery of the training.

The team asks for experts to meet the following criteria:

- CII qualification for unit to be trained (pass in a previous equivalent unit may be accepted);
- current practitioner/recent (within three years) sector experience status;
- confident and up to date in subject knowledge;
- training experience (preferred); and
- not be an examiner in the subject(s) they are involved with.

Further criteria may apply, which will be discussed with you as appropriate. The roles are outlined below:

Role	Purpose and scope
Face-to-face and virtual training courses	<ul style="list-style-type: none">• Deliver face-to-face and virtual training for all qualification levels in the CII framework and/or other technical, business or leadership topics.• May require international travel for certain subjects.• Will be asked to sign a Training Quality Charter once commissioned.
