Face-to-Face Workshop Introduction to Lloyd's and the London Market - Training Workshop (with Lloyd's of London Tour)

Course overview

This one-day interactive face to face workshop will provide an insight into Lloyd's and the London insurance market, including a brief history, an overview of the marketplace, the role of the participants, its processes and procedures.

This workshop includes a 1-hour tour of Lloyd's of London. Lunch and refreshments are included.

Face-to- Face Training Workshop
Chartered Insurance Institute
1st Floor, 30 Old Broad Street
London EC2N 1HT

Who should attend

Ideal for any new entrant to a Lloyd's syndicate, broker, insurer, reinsurer, accountant or loss adjuster, to enable them to understand the London Market and current market practice.

What will I achieve by attending the workshop?

On completion of the workshop delegates will be able to:

- Outline the history and strengths of the London market
- Identify the types of insurance and reinsurance sold by the London market
- Explain the roles of the Insurance market participants
- Describe the strengths of Lloyd's and the London market
- Describe the placing and claims processes in Lloyd's and the insurance market
- Outline planned and possible future developments within the insurance market

Workshop overview

By the end of the workshop delegates will have:

- Gained a brief but comprehensive view of the London Market and its future role.
- Built foundation knowledge of the London Market.
