## The claims cure: U.S. medical malpractice insights for the London Market professionals

Date

**Tuesday, 29 April 2025**

Time

**3:00 pm – 4:00 pm**

Speaker

**Sara Nau, Counsel, Phelps Dunbar LLP**

**George Morris, Partner, Phelps Dunbar LLP**

In this IIL claims webinar, Sara Nau and George Morris give an engaging and informative session on U.S. medical malpractice claims and their implications for the London Market. This webinar provides essential insights into the challenges and opportunities these claims present, empowering London-based claims handlers to navigate the complexities of this critical area more effectively.

### Learning Objectives

- Understanding the U.S. medical malpractice landscape
- Learning about recent and future trends and the implications for claims management
- Applying effective claims handling strategies, including:
  - *Assessing exposures for accurate reserving*
  - *Practical tips for the effective management of experts and legal counsel*
  - *Determining proper resolution strategy*
  - *Use of the underwriters' representative to help manage and resolve claims*
  - *Best practices when coverage issues arise on a file*
