Price List Explainer

What does 'Enrolment' and 'Enrolment Plus' refer to?

Learners can purchase qualification units in two ways, either by Enrolment or Enrolment Plus

- **Enrolment** provides learners with the study text and assessment entry
- Whereas the **Enrolment Plus** option provides learners with the study text, assessment entry, plus selected revision aids at a discounted rate

Why is a postage fee needed?

- A flat fee of \$33 is charged per order (not per item) when printed materials are ordered to cover the delivery costs

What revision aids are available and how do they help?

Selected units have additional revision aids that can be purchased to maximise learning, these include;

- **Key Fact Booklets** – these aids summarise the key information contained in the study text and are perfect for studying on-the-go (available in digital or printed format)
- **Knowledge Checker*** – delivered online via RevisionMate this tool provides comprehensive, flexible and interactive self-testing, helping learners track progress and strengthen their understanding of the study text*
- **E-learn** – delivered online via RevisionMate to complement the study text, this module offers engaging study with interactive content to help reinforce your understanding of key topics.
- **Revision Extra** - available for IF1-2 and delivered mainly through videos, this digital course is created by subject experts to give their insight into the unit syllabus

What is Coursework Resubmission?

- Coursework re-submission is the equivalent of an 'exam resit' but for a coursework assignment
- Coursework re-submission can be purchased when a fail grade has been received
- Coursework assignments can only be re-submitted twice and all re-submissions must be completed before the end of the enrolment period

What is Review of Marking?

- This is a post result review of the original marking to ensure that the agreed mark scheme has been applied correctly
- it is available for written exam units (not multiple-choice question units) and coursework assignments
- Applications must be made within four weeks of the release date of the results

What is 'Recognition of Prior Learning' (RPL) and how much does it cost?

Learners may be eligible to claim exemptions for relevant exams and qualifications obtained through other professional bodies or universities. Subject to the published qualification completion requirements, these can be used to help you achieve CII qualifications more quickly.

There are two pathways for RPL with the CII:

1. **RPL Path 1:** Prior learning awards for business, law and maths degrees are charged at **50% of the Enrolment price of the CII unit(s)**. The same applies to other qualifications whose learning outcomes and modules have a different structure to CII qualifications. These qualifications partially meet the learning outcomes across multiple CII units.
2. **RPL Path 2:** Prior learning awards for CII affiliated institutes' qualifications and other licence to practice qualifications are charged at **20% of the Enrolment price of the CII unit(s)**. Examples include (UK) FCA Appropriate Qualifications that are constructed around the same set of (regulatory) standards to the CII level 4 Diploma in Regulated Financial Planning and other qualifications whose modules and learning outcomes have the same structure as CII qualifications.
