

Motor insurance

Purpose

At the end of this unit, candidates should be able to demonstrate an understanding of the different types of motor risk and the compulsory insurance requirements.

Assumed knowledge

It is assumed the candidate has knowledge of the fundamental principles of insurance as covered in IF1 Insurance, legal and regulatory or equivalent examinations.

Summary of learning outcomes	Number of questions in the examination*
1. Understand the nature of motor risk and the main impacting factors.	8
2. Understand the scope of cover provided by motor policies.	8
3. Understand the main practices of motor insurance.	6
4. Understand risk perception, evaluation and underwriting of motor insurance.	18
5. Understand the claims considerations and procedures of motor insurance.	10

* The test specification has an in-built element of flexibility. It is designed to be used as a guide for study and is not a statement of actual number of questions that will appear in every exam. However, the number of questions testing each learning outcome will generally be within the range plus or minus 2 of the number indicated.

Important notes

- Method of assessment:
Mixed assessment consisting of two components, both of which must be passed. One component is a coursework assignment and one is a multiple choice question (MCQ) examination. The details are:
 - an online coursework assignment using RevisionMate consisting of 10 questions which sequentially follow the learning outcomes. This must be successfully completed within 6 months of enrolment; and
 - an MCQ exam consisting of 50 MCQs. 1 hour is allowed for this exam. This exam must be successfully passed within 18 months of enrolment.
- This syllabus will be examined from 1 May 2025 until 30 April 2026.
- Candidates will be examined on the basis of English law and practice unless otherwise stated.
- This PDF document has been designed to be accessible with screen reader technology. If for accessibility reasons you require this document in an alternative format, please contact us at online.exams@cii.co.uk to discuss your needs.
- Candidates should refer to the CII website for the latest information on changes to law and practice and when they will be examined:
 - Visit www.cii.co.uk/qualifications
 - Select the appropriate qualification
 - Select your unit from the list provided
 - Select qualification update on the right hand side of the page

1. Understand the nature of motor risk and the main impacting factors.

- 1.1 Explain the different types of motor risk and how they are assessed.
- 1.2 Outline the legislation which aims to control risk.
