

Introduction to home insurance

Objective

To provide a broad knowledge and understanding of home insurance, including:

- the need for cover and its benefits;
- insurance legal principles and duties;
- product features;
- how cover is arranged and provided;
- the principles of delivering good customer service.

Summary of learning outcomes	Number of questions in the examination*
1. Understand the need for and benefit of home insurance.	4
2. Understand the insurance legal principles and duties relating to home insurance.	10
3. Understand the main features of home insurance products and the market.	14
4. Understand how home insurance is arranged and provided.	15
5. Understand the key principles of delivering good customer service.	7

* The test specification has an in-built element of flexibility. It is designed to be used as a guide for study and is not a statement of actual number of questions that will appear in every exam. However, the number of questions testing each learning outcome will generally be within the range plus or minus 2 of the number indicated.

Important notes

- Method of assessment: 50 multiple choice questions (MCQs). 1 hour is allowed for this examination.
 - This syllabus will be examined from 1 January 2025 until 31 December 2025.
 - Candidates will be examined on the basis of English law and practice unless otherwise stated.
 - This PDF document has been designed to be accessible with screen reader technology. If for accessibility reasons you require this document in an alternative format, please contact us at online.exams@cii.co.uk to discuss your needs.
 - Candidates should refer to the CII website for further details of assessment content, along with the latest information on changes to law and practice and when they will be examined:
1. Visit www.cii.co.uk/qualifications
 2. Select the appropriate qualification
 3. Select your unit from the list provided
 4. Select qualification update on the right hand side of the page
