## About the CII

**The Chartered Insurance Institute (CII) is the leading global professional membership body for the insurance sector.**

The CII represents more than 80,000 members across the UK and internationally, with offices in London, Dubai and Hong Kong.

As a Royal Charter body, the CII has the right to confer chartered titles on individuals and organisations.

## Our Mission

The Institute educates and supports our members to deliver services to the highest professional standards and to advocate for the public good. It aims to build and maintain public trust in the insurance profession.

# The Membership Advantage

## Credibility

**Membership conveys professional recognition and helps build reputations.**

Demonstrate your credibility by displaying your membership certificate or card. Chartered is the universally recognised badge of professionalism among employers, consumers and businesses.

## Community

**Membership expands networks and creates new opportunities.**

Our Local Institutes and Professional Communities provide many opportunities to connect locally or with those working in the same business sector.

## Career

**Membership accelerates career ambitions by developing skills and expertise faster.**

From events and webinars to digital resources, a magazine and podcast, there are countless benefits which can support your career development.

# Core Benefits

## Local Institutes

Our network of local institutes across the UK, Isle of Man and the Channel Islands enables members to connect on a local level with peers, industry experts and business leaders.

Activity is driven by a panel of member volunteers and is wide-ranging - from exam study support sessions to CPD events, site visits and annual dinners.

## Professional Communities

Our sector-specific professional communities deliver tailored programmes of CPD, career guidance and support, thought leadership and opportunities to network and learn from each other.

Each community is headed up by a panel of passionate and inspired expert practitioners:

- **CII Broking Community**
- **CII Claims Community**
- **CII Underwriting Community**
