

Introduction to pet insurance

Objective

To provide a broad knowledge and understanding of pet insurance, including:

- the need for cover and its benefits;
- insurance legal principles and duties;
- product features;
- how cover is arranged and provided;
- the principles of delivering good customer service.

Summary of learning outcomes	Number of questions in the examination*
1. Understand the need for and benefit of pet insurance.	4
2. Understand the insurance legal principles and duties relating to pet insurance.	10
3. Understand the main features of pet insurance products and the market.	14
4. Understand how pet insurance is arranged and provided.	15
5. Understand the key principles of delivering good customer service.	7

* The test specification has an in-built element of flexibility. It is designed to be used as a guide for study and is not a statement of actual number of questions that will appear in every exam. However, the number of questions testing each learning outcome will generally be within the range plus or minus 2 of the number indicated.

Important notes
