

# Aviation and space insurance

## Purpose

At the end of this unit, candidates should be able to demonstrate an understanding of aviation and space insurance and related issues.

## Assumed knowledge

It is assumed that the candidate already has knowledge of the fundamental principles of insurance as covered in IF1 Insurance, legal and regulatory or equivalent examinations.

Summary of learning outcomes	Number of questions in the examination*
1. Know the main elements of aviation risk.	4
2. Understand the main international and national measures impacting on aviation risk.	9
3. Understand the scope of cover under the main and related classes of aviation insurance.	11
4. Understand the market practices of aviation insurance.	6
5. Understand risk assessment and underwriting of aviation insurance.	9
6. Understand claims investigation, handling and settlement procedures in aviation insurance.	7
7. Understand key aspects of space insurance.	4

\* The test specification has an in-built element of flexibility. It is designed to be used as a guide for study and is not a statement of actual number of questions that will appear in every exam. However, the number of questions testing each learning outcome will generally be within the range plus or minus 2 of the number indicated.

## Important notes

- Method of assessment:  
Mixed assessment consisting of two components, both of which must be passed. One component is a coursework assignment and one is a multiple choice question (MCQ) examination. The details are:
  1. an online coursework assignment using RevisionMate consisting of 10 questions which sequentially follow the learning outcomes. This must be successfully completed within 6 months of enrolment; and
  2. an MCQ exam consisting of 50 MCQs. 1 hour is allowed for this exam. This exam must be successfully passed within 18 months of enrolment.
- This syllabus will be examined from 1 May 2026 to 30 April 2027.
- Candidates will be examined on the basis of English law and practice unless otherwise stated.
- This PDF document has been designed to be accessible with screen reader technology. If for accessibility reasons you require this document in an alternative format, please contact us on [online.exams@cii.co.uk](mailto:online.exams@cii.co.uk) to discuss your needs.
