

# Mortgage advice

## CF6: 2025–26 edition

### Web update 1: 08 January 2026

Please note the following update (amendment in **bold**) to your copy of the **CF6** study text:

#### Chapter 3, self-test answers, page v

Please amend the current answer for question 2 to read as follows:

2 The main trends are:

- **a decline in owner occupation;**
- changing and declining social rental sector; and
- increasing numbers of tenants requiring homes in the private rental sector.
