Getting it right: Competence, policy and risk management in construction

Date

Thursday, 22 May 2025

Time

11:00 am – 12:00 pm

Speaker

Richard Harral, Chief Executive, Chartered Association of Building Engineers

In this IIL property webinar, Richard Harral talks about building competence in the UK building industry, from the Luton Airport fire through to his experience in how insurers could look to evidence of competence within the construction industry to drive risk differentiation.

Learning Objectives

- Economic policies and their impact on risk in the building sector
- The change to compliance and safety outcomes as a result of recent legislation change
- How an insurer might evidence competence within the construction industry

CII CPD event accredited - demonstrates the quality of an event and that it meets CII member CPD scheme requirements
