

Motor insurance

M94: 2023–24 edition

Web update 1: 28 March 2023

Please note the following update to your copy of the **M94** study text:

Chapter 1, section A6, page 1/4

The final sentence:

As we shall see later, in most cases such liability would be met by the motor, rather than employers' liability insurer.

Should be:

As we shall see later, in most cases such liability would be met by the employee's motor insurer, rather than the employer's liability insurer.
