## The Netherlands

### **Egis acquires Nebu Transport Services, based in The Netherlands, to expand its VAT and other taxes (excise) refund offering in Benelux.**

---

**Egis, through his subsidiary Easytrip Transport Services, has acquired 100% of Nebu Transport Services based in Uitgeest, The Netherlands. With this acquisition in line with his ambitious strategic plan Impact the Future, Egis consolidates its wide array of mobility services for the European Heavy Good Vehicles market.**

Easytrip Transport Services is an international transport and mobility services provider with a wealth of 35 years in the transport industry. With this acquisition, Egis reinforces its position as the market leader in the VAT and Excise refund for the European Heavy Good Vehicles (HGVs) market, focusing on the Benelux essential transport and logistics cluster.

Nebu Transport Services is a company with over 25 years of expertise in the VAT & excise refund and several additional transport services. Nebu Transport Services will complement the current VAT and Excise refund activities of Easytrip Transport Services, consisting in managing on behalf of fleet managers their eligible tax refunds, on selected goods and services (VAT) and fuels (Excise), expensed in countries they've been driven through.

Thus thanks to its broad local customers' network, will contribute to Easytrip Transport Services' vision of achieving a solid regional footprint.

Nebu customers will access from now onwards the large array of Easytrip services covering tolling, ferry, tunnel and train bookings, legal representation for posted drivers, telematics, and fueling services.

**Emmanuel Michaux, Chief Executive Officer of Easytrip Transport Services by Egis,** comments: *"The sum of the European tax recovery on freight charges has been growing over the years and will continue on this trend to reach a combined amount of €5 billion by 2025. With this dynamic market, we are delighted to get Nebu Transport Services onboard. Thanks to their tremendous experience in the VAT and excise refund arena and regional Benelux footprint, Egis goes a step further in competently delivering a wide range of mobility services, with the customers at the very center."*

**Myrthe Broers and Saskia Jonker, Chief Executive Officer and Chief Operating Officer of Nebu Transport Services,** state: *"We are delighted to join Egis. The two companies complement each other well, allowing our customers and colleagues to benefit from an enhanced product offering with advanced technologies. The acquisition will enable Nebu Transport to offer a broader and higher quality service to our customers, as well as seize new international business opportunities. Above, the deal accelerates our dream to become the strongest support company for European transport companies and offer the best solutions."*
