Egis secures 10-Year Renewal for Gebze-Izmir Motorway in Turkey: A decade of excellence reaffirmed

Egis has officially renewed its operation and maintenance (O&M) contract for the Gebze-Izmir motorway in Türkiye. This 10-year extension by the concessionaire, OTOYOL A.Ş., solidifies a partnership that began in 2014 and underscores Egis' position as a global leader in infrastructure management.

A hub of innovation and global expertise

Over the last decade, Egis has transformed this project into a "**Center of Excellence.**" With a powerhouse team of over 800 highly skilled professionals, the Turkish operations have become a blueprint for success, exporting O&M expertise to major international projects in **Qatar, Kazakhstan, and Ireland.**

The scope of the renewed contract remains comprehensive, covering:

- **Smart Infrastructure:** Maintenance of all energized and non-energized systems.
- **Revenue Management:** End-to-end toll collection and back-office operations.
- **Customer Experience:** 24/7 call center management and safety services.
- **Resilient Maintenance:** Full-scale winter services and environmental upkeep.

Setting new benchmarks in ESG

This renewal isn't just about operations; it's about **impact.** Egis continues to lead the sector with audited sustainability and social performance:

- **Gender Diversity:** A 39% female employment rate—**double the national average.**
- **Sustainability:** A **95/100 GRESB score**, ranking the motorway among the world's top-performing infrastructures.
- **Operational Excellence:** A 4.3 score on the *Simple* performance index.

From the Leadership

"Egis' professionalism has made the Gebze-Izmir highway a **global benchmark for safety and innovation.** Their commitment and the quality of our human partnership are the primary drivers of this project's success."
— **Osman Acikalin**, CEO of OTOYOL A.Ş.

"This renewal recognizes a decade of trust and hard work. Together, we haven't just met standards; we've **evolved them.** We are proud to continue pushing the boundaries of operational performance and ESG commitment." — **Pierre-Yves Massille**, CEO Consulting & Operations, Egis.

Details

The Gebze-Izmir highway consists of 433 km of highway (2x3 lanes) between Gebze, on the northern shore of Izmit Bay and Izmir with a 2.907 m long suspension bridge crossing the bay of Izmit, three tunnels with a cumulative length of 6.430 m. (two tubes 12.860 m.) and 22 toll plazas. EGIS and the concessionaire, OTOYOL A.Ş., are 50/50 shareholders in the project's operation and maintenance company.

Egis is the world's No. 1 independent motorway operation and maintenance company with a portfolio of 6,898 km of motorways in total, including 143 km of tunnels, in 25 countries on 5 continents.

About Egis

IMAGINE. CREATE. ACHIEVE.
a sustainable future
