- 13.3 For the purposes of the incorporation by reference of DTR 5 into these Articles and the application of DTR 5 to the Company and each Member, the Company shall (for the purposes of this Article 13 only) be deemed to be a **non-UK issuer**, as such term is defined in DTR 5.
- 13.4 For the purposes of this Article 13 only, defined terms in DTR 5 shall bear the meaning set out in DTR 5, and if the meaning of a defined term is not set out in DTR 5, the defined term shall bear the meaning set out in the glossary to the FCA Handbook (in such case, read as the definition applicable to DTR 5).
- 13.5 If at any time the Company shall have a class of shares admitted to trading on the main market of the London Stock Exchange, the provisions of Section 793 of the 2006 Act, which provisions are incorporated by reference in these Articles and are available to the Members from the Secretary at no charge, shall apply to the Members of such class of shares, provided that for the purposes of this Article 13, the following terms shall have the meanings set forth below:

public company shall mean the Company; and

company's shares shall mean the class of shares of the Company admitted to trading on the main market of the London Stock Exchange.

- 13.6 If the Company determines that a Member (a **Defaulting Member**) has not complied with the provision of DTR 5 as set forth above with respect to some or all of such shares held by such Member (the **Default Shares**), the Company shall have the right by delivery of notice to the Defaulting Member (a **Default Notice**) to:
- 13.6.1 suspend the right of such Defaulting Member to vote on the Default Shares in person or by proxy at any meeting of the Company. Such a suspension shall have effect from the date on which the Default Notice is delivered by the Company to the Defaulting Member until a date that is not more than seven (7) days after the Company has determined in its sole discretion that the Defaulting Member has cured the non-compliance with the provisions of DTR 5; **PROVIDED THAT** the Company may at any time by subsequent written notice cancel or suspend the operation of a Default Notice; and/or
- 13.6.2 (i) withhold, without any obligation to pay interest thereon, any dividend or other amount payable with respect to the Default Shares with such amount to be payable only after the Default Notice ceases to have effect with respect to the Default Shares, (ii) render ineffective any election to receive shares of the Company instead of cash in respect of any dividend or part thereof, and/or (iii) prohibit the transfer of any shares of the Company held by the Defaulting Member except with the consent of the Company or if the Defaulting Member can provide satisfactory evidence to the Company to the effect that, after due inquiry, such Defaulting Member has determined that the shares to be transferred are not Default Shares.

14 **CERTIFICATES**

- 14.1 The Board shall make such arrangements for the issue of share certificates as it may, from time to time, deem fit. Subject to a resolution of the Directors in accordance with Article 14.5, shares may be converted into and held in uncertificated form through CREST.
- 14.2 All forms of certificate for shares or debentures or representing any other form of security (other than letters of allotment, scrip certificates and other like documents) shall be issued and may, if determined by the Board, be issued under the Seal of the Company and shall be signed autographically unless there shall be in force a resolution of the Board adopting

some method of mechanical signature in which event the signatures (if authorised by such resolution) may be effected by the method so adopted.

- 14.3 In respect of a share held jointly, the Company shall not be bound to issue more than one certificate and delivery of a certificate for a share to one of several joint holders shall be sufficient delivery to all such holders.
- 14.4 If a share certificate be defaced lost or destroyed, it may be renewed on payment of such fee and on such terms (if any) as to evidence and indemnity and the payment of expenses as the Board thinks fit.
- 14.5 Subject to the Law, the Directors without further consultation with the holders of any shares or securities of the Company may resolve that any class or classes of share or other securities of the Company from time to time in issue or to be issued may be in uncertificated form and no provision of these Articles will apply to any uncertificated share or other securities of the Company to the extent they are inconsistent with the holding of such shares or other securities in uncertificated form or the transfer of title to any such shares or other securities by means of a Relevant System.

15 **LIEN**

- 15.1 The Company shall have a first and paramount lien (extending to all dividends payable) on all shares (not being fully paid) for all monies, whether presently payable or not, called or payable at a fixed time in respect of those shares and for all the debts and liabilities of the holder to the Company and that whether the same shall have been incurred before or after notice to the Company of any equitable or other interest of any person (other than such holder) and whether the time for payment or discharge shall have arrived or not and notwithstanding that the same are joint debts or liabilities of such holder and any other person (whether a Member of the Company or not).
- 15.2 The Company may sell as the Board thinks fit any shares on which the Company has a lien but no sale shall be made unless a sum in respect of which the lien exists is presently payable nor until after a notice in writing demanding payment has been given to the holder of the shares.
- 15.3 To give effect to any sale, the Board may authorise some person to transfer the shares sold to the purchaser who shall be registered as the holder of the shares comprised in any such transfer and who shall not be bound to see to the application of the purchase money nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings.

16 **CALLS ON SHARES**

- 16.1 The Board may at any time make on at least fourteen (14) clear days' notice calls upon the Members in respect of any monies unpaid on their shares (whether on account of the nominal value or by way of premium and not by the conditions of allotment made payable at fixed times) and each Member shall pay to the Company at the time and place appointed the amount called. A call may be revoked or postponed.
- 16.2 Joint holders shall be jointly and severally liable to pay calls.
- 16.3 If a sum called in respect of a share is not paid before or on the day appointed, the person from whom the sum is due shall pay interest from the day appointed to the time of actual payment at such rate as the Board may determine.
- 16.4 Any sum which by the terms of issue of a share becomes payable on allotment or at any fixed date shall, for the purposes of these Articles, be deemed to be a call duly made and payable on the date on which by the terms of issue the same becomes payable and, in the case of non-payment, all the relevant provisions of these Articles as to payment of interest and expenses forfeiture or otherwise shall apply as if such sum had become payable by virtue of a call duly made and notified.

- 16.5 The Board may on an issue of shares differentiate between holders as to amount of calls and times of payment.

17 **FORFEITURE AND SURRENDER OF SHARES**

- 17.1 If a Member fails to pay any call or instalment on the day appointed, the Board may, at any time during such period as any part remains unpaid, serve notice requiring payment of so much of the call or instalment as is unpaid together with any interest which may have accrued and any expenses which may have been incurred by the Company by reason of non-payment.
- 17.2 The notice shall state a further day at least fourteen (14) clear days after the date of the notice on or before which the payment required by the notice is to be made and the place where the payment is to be made and that in the event of non-payment the shares in respect of which the call was made or instalment is payable will be liable to be forfeited. If the requirements of any such notice are not complied with, any share in respect of which the notice has been given may, at any time before payment has been made, be forfeited by a resolution of the Board to that effect. Such forfeiture shall include all dividends declared in respect of the forfeited share and not actually paid before the forfeiture.
- 17.3 Notice of forfeiture shall forthwith be given to the former holder and an entry of such notice and forfeiture shall forthwith be made and dated in the Register opposite the entry of the share; but no forfeiture shall be in any manner invalidated by any omission or neglect to give notice or to make entry.
- 17.4 A forfeited share shall be deemed to be the property of the Company and may be sold, re-allotted or otherwise disposed of on such terms as the Board shall think fit, with or without all or any part of the amount previously paid on the share being credited as paid, and, at any time before a sale or disposition, the forfeiture may be cancelled.
- 17.5 A person whose shares have been forfeited shall cease to be a Member in respect of those shares but shall remain liable to pay to the Company all monies which, at the date of forfeiture, were payable in respect of the shares with interest at such rate as the Board may determine. The Board may enforce payment without any allowance for the value of the shares at the time of forfeiture.
- 17.6 The forfeiture of a share shall extinguish all interest in and all claims and demands against the Company in respect of the share and all other rights and liabilities incidental to the share as between the holder and the Company.
- 17.7 The Board may accept from any Member on such terms as shall be agreed a surrender of any shares in respect of which there is a liability for calls. Any surrendered share may be disposed of in the same manner as a forfeited share.
- 17.8 A declaration in writing by a Director or the Secretary that a share has been duly forfeited or surrendered on the date stated in the declaration shall be conclusive evidence of the facts therein as against all persons claiming to be entitled to the shares.
- 17.9 The Company may receive the consideration given for any share on any sale or disposition and may execute a transfer of the share in favour of the person to whom the same is sold or disposed of and he shall thereupon be registered as the holder and shall not be bound to see to the application of the purchase money nor shall his title be affected by any irregularity or invalidity in forfeiture sale re-allotment or disposal.
- 17.10 A forfeited share will be deemed to be the property of the Company and may be sold, re-allotted or otherwise disposed of on such terms as the Board thinks fit, including (if applicable) with or without all or any part of the amount previously paid on the share being credited as paid. At any time before such a sale or disposition the forfeiture process may be cancelled. No proceeds of any forfeiture will be paid to any person whose shares have been forfeited.

- 17.11 The Board may, save only as may be necessary to comply with the provisions of the Law, vary or amend the terms of any calls made, to include waiving or forgiving any amounts due under a call or extending the period by which a call must be satisfied in each case on such terms or conditions as the Board may determine.

18 REGISTER OF MEMBERS

- 18.1 The Company shall keep the Register and index of Members in accordance with Sections 123-128 of the Law and allow inspection in accordance with Sections 127-128 of the Law. The Company may delegate the maintenance of its Register and index of Members upon such terms as the Board may think fit. In the absence of manifest error, the Register shall be conclusive evidence as to the persons entitled to the shares entered therein.
- 18.2 Each Member shall inform the Company by means of a notice addressed to the Office of any change in his address and immediately after receipt of that notice the entry of the address of that Member in the Register shall be altered in conformity with the notice given.
- 18.3 The Register may be closed during such periods as the Board thinks fit not exceeding in all thirty (30) days in any year.

19 UNCERTIFICATED SHARES - GENERAL POWERS

- 19.1 Subject to the Law and the Guernsey Regulations, the board may permit any class of shares to be held in uncertificated form and to be transferred by means of a Relevant System and may revoke any such permission.
- 19.2 In relation to any share which is for the time being held in uncertificated form:
- 19.2.1 the Company may utilise the Relevant System in which it is held to the fullest extent available from time to time in the exercise of any of its powers or functions under the Guernsey Regulations or these Articles or otherwise in effecting any actions and the board may from time to time determine the manner in which such powers, functions and actions shall be so exercised or effected;
- 19.2.2 any provision in these Articles which is inconsistent with:
- (a) the holding of that share in uncertificated form or transfer of title to that share by means of a Relevant System;
 - (b) any other provision of the Guernsey Regulations relating to shares held in uncertificated form; or
 - (c) the exercise of any powers or functions by the Company or the effecting by the Company of any actions by means of a Relevant System,
- shall not apply;
- 19.2.3 subject to the Guernsey Regulations, the Company may, by notice to the holder of that share, require the holder to change the form of such share to certificated form within such period as may be specified in the notice;
- 19.2.4 the Company may require that share to be converted into certificated form in accordance with the Guernsey Regulations; and
- 19.2.5 the Company shall not issue a certificate.
- 19.3 The Company may, by notice to the holder of any share in certificated form, direct that the form of such share may not be changed to uncertificated form for a period specified in such notice.

- 19.4 For the purpose of effecting any action by the Company, the board may determine that shares held by a person in uncertificated form shall be treated as a separate holding from shares held by that person in certificated form but shares of a class held by a person in uncertificated form shall not be treated as a separate class from shares of that class held by that person in certificated form.
- 19.5 Subject to the Guernsey Regulations, the Directors may lay down regulations not included in these Articles which (in addition to, or in substitution for, any provisions in these Articles):
- 19.5.1 apply to the issue, holding or transfer of shares in uncertificated form;
 - 19.5.2 set out (where appropriate) the procedures for conversion and/or redemption of shares in uncertificated form; and/or
 - 19.5.3 the Directors consider necessary or appropriate to ensure that these Articles are consistent with the Guernsey Regulations and/or the Operator's rules and practices.
- 19.6 Such regulations will apply instead of any relevant provisions in these Articles which relate to the transfer, conversion and redemption of shares in uncertificated form or which are not consistent with the Guernsey Regulations, in all cases to the extent (if any) stated in such regulations. If the Directors make any such regulations, Article 19.7 will (for the avoidance of doubt) continue to apply, when read in conjunction with those regulations.
- 19.7 Any instruction given by means of a Relevant System shall be a dematerialised instruction given in accordance with the Guernsey Regulations, the facilities and requirements of a Relevant System and the Operator's rules and practices.

20 **TRANSFER AND TRANSMISSION OF SHARES**

- 20.1 Subject to such of the restrictions of these Articles as may be applicable:
- 20.1.1 any Member may transfer all or any of his uncertificated shares by means of a Relevant System authorised by the Board in such manner provided for, and subject as provided, in the Guernsey Regulations or such as may otherwise from time to time be adopted by the Board on behalf of the Company and the rules of any Relevant System and accordingly no provision of these Articles shall apply in respect of an uncertificated share to the extent that it requires or contemplates the effecting of a transfer by an instrument in writing or the production of a certificate for the shares to be transferred;
 - 20.1.2 any Member may transfer all or any of his certificated shares by an instrument of transfer in any usual or common form or in any other form which the Board may approve; and
 - 20.1.3 an instrument of transfer of a certificated share shall be signed by or on behalf of the transferor and, unless the share is fully paid, by or on behalf of the transferee. An instrument of transfer of a certificated share need not be under seal.
- 20.2 Every instrument of transfer of a certificated share shall be left at the Office or such other place as the Board may prescribe with the certificate of every share to be transferred and such other evidence as the Board may reasonably require to prove the title of the transferor or his right to transfer the shares, and the transfer and certificate (if any) shall remain in the custody of the Board but shall be at all reasonable times produced at the request and expense of the transferor or transferee or their respective representatives. A new certificate shall be delivered free of charge to the transferee after the transfer is completed and registered on his application and when necessary a balance certificate shall be delivered if required by him in writing.

- 20.3 The Board may, in its absolute discretion and without giving a reason, decline to transfer, convert or register any transfer of any share in certificated form or (to the extent permitted by the Guernsey Regulations) uncertificated form which is not fully paid or on which the Company has a lien, provided, in the case of a listed or publicly traded share that this would not prevent dealings in the share from taking place on an open and proper basis. In addition, the directors may refuse to register a transfer of shares unless:
- 20.3.1 it is in respect of only one class of shares;
 - 20.3.2 it is in favour of a single transferee or not more than four joint transferees; and
 - 20.3.3 in the case of a share in certificated form, having been delivered for registration to the Office or such other place as the Board may decide, it is accompanied by the certificate(s) for the shares to which it relates and such other evidence as the Board may reasonably require to prove title of the transferor and the due execution by him of the transfer or, if the transfer is executed by some other person on his behalf, the authority of that person to do so.
- 20.4 The Board may, in its absolute discretion, decline to register a transfer of any Shares to any person whose ownership may result in a person holding Shares in violation of the transfer restrictions put forth in any prospectus published by the Company, from time to time.
- 20.5 The Board may also decline to register a transfer of an uncertificated share which is traded through the Relevant System and in accordance with the Guernsey Regulations, where, in the case of a transfer to joint holders, the number of joint holders to whom the uncertificated share is to be transferred exceeds four.
- 20.6 The Directors may, in their absolute discretion, refuse to register a transfer of any shares to a person that they have reason to believe is (i) an **employee benefit plan** (within the meaning of Section 3(3) of ERISA) that is subject to Part 4 of Title 1 of ERISA, (ii) a plan, individual retirement account or other arrangement that is subject to Section 4975 of the US Internal Revenue Code or any other state, local laws or regulations that would have the same effect as regulations promulgated under ERISA by the US Department of Labor and codified at 29 C.F.R. Section 2510.3-101 to cause the underlying assets of the Company to be treated as assets of that investing entity by virtue of its investment (or any beneficial interest) in the Company and thereby subject the Company and the Investment Manager (or other persons responsible for the investment and operation of the Company's assets) to laws or regulations that are similar to the fiduciary responsibility or prohibited transaction provisions contained in Title I of ERISA or Section 4975 of the US Internal Revenue Code, or (iii) an entity whose underlying assets are considered to include "plan assets" of any such plan, account or arrangement (each of (i), (ii) and (iii), a **Plan**) or (iv) any person in circumstances where the holding of shares by such person would (a) give rise to an obligation on the Company to register as an "investment company" under the Investment Company Act (including because the holder of the Shares is not a "qualified purchaser" as defined in the Investment Company Act); (b) preclude the Company from relying on the exception to the definition of **investment company** contained in Section 3(c)(7) of the Investment Company Act; (c) give rise to an obligation on the Company to register under the Exchange Act, the Securities Act or any similar legislation; (d) result in the Company not being considered a **Foreign Private Issuer** as that term is defined by Rule 3b-4(c) promulgated under the Exchange Act; (e) give rise to an obligation on the Investment Manager to register as a commodity pool operator or commodity trading advisor under the US Commodity Exchange Act of 1974, as amended; (f) cause the Company to be a "controlled foreign corporation" for the purposes of the US Tax Code, or cause the Company to suffer any pecuniary disadvantage (including any excise tax, penalties or liabilities under ERISA or the US Tax Code); or (g) give rise to the Company or the Investment Adviser becoming subject to any US law or regulation determined to be detrimental to it (each such person in this Article 20.6, a **Prohibited US Person**). Each person acquiring shares shall by virtue of such acquisition be deemed to have represented to the Company that they are not a Prohibited US Person.

- 20.7 If any shares are owned directly or beneficially by a person believed by the Board to be a Prohibited US Person, the Board may give notice to such person requiring them either (i) to provide the Board within 30 days of receipt of such notice with sufficient satisfactory documentary evidence to satisfy the Board that such person is not a Prohibited US Person or (ii) to sell or transfer their shares to a person qualified to own the same within 30 days and within such 30 days to provide the Board with satisfactory evidence of such sale or transfer. Where condition (i) or (ii) is not satisfied within 30 days after the serving of the notice, the person will be deemed, upon the expiration of such 30 days, to have forfeited their shares.
- 20.8 If the Board refuses to register the transfer of a share it shall, within two months after the date on which the transfer was lodged with the Company, send notice of the refusal to the transferee.
- 20.9 Subject to the provisions of the Guernsey Regulations the registration of transfers may be suspended at such times and for such periods (not exceeding 30 days in the aggregate in any one Calendar Year) as the Board may decide on giving notice in La Gazette Officielle and either generally or in respect of a particular class of share except that, in respect of any shares which are participating shares held in a Relevant System, the Register shall not be closed without the consent of the Operator.
- 20.10 No fee shall be payable to the Company in respect of the registration of any transfer, probate, letters of administration, certificate of marriage or death, power of attorney, instruction or other document relating to or affecting the title to any shares.
- 20.11 On the death of a Member, the survivors where the deceased was a joint holder and the executor or administrator of the deceased where he was a sole holder shall be the only persons recognised by the Company as having any title to or interest in his shares; but nothing herein shall release the estate of a deceased joint holder from any liability in respect of any share jointly held.
- 20.12 A person so becoming entitled to a share in consequence of the death, bankruptcy or incapacity or otherwise by operation of law (subject as hereinafter provided), upon supplying to the Company such evidence as the Board may reasonably require to show his title to the share, of a Member shall have the right to receive and may give a discharge for all dividends and other money payable or other advantages due on or in respect of the share, but he shall not be entitled to receive notice of or to attend or vote at meetings of the Company, or save as aforesaid, to any of the rights or privileges of a Member unless and until he shall be registered as a Member in respect of the share **PROVIDED ALWAYS THAT** the Board may at any time give notice requiring any such person to elect either to be registered himself or to transfer the share and if the notice is not complied with within ninety (90) days the Board may thereafter withhold all dividends or other monies payable or other advantages due in respect of the share until the requirements of the notice have been complied with.
- 20.13 Nothing in these Articles shall preclude the Board from recognising the renunciation of the allotment of any share by the allottee in favour of some other person.
- 20.14 For the avoidance of doubt, nothing in these Articles shall require the shares to be transferred by written instrument if the Law provides otherwise and the Board shall be empowered to implement such arrangements as they consider fit in accordance with and subject to the Law and the rules of the FCA to evidence and regulate the transfer of title to shares in the Company and for the approval or disapproval as the case may be by the Directors or the Operator of any Relevant System of the registration of those shares.

21 **UNTRACED SHAREHOLDERS**

- 21.1 The Company shall be entitled to sell (at a price which the Company shall use its reasonable endeavours to ensure is the best obtainable) the shares of a Member or the shares to which a person is entitled by virtue of transmission on death or insolvency or otherwise by operation of law if and provided that:

- 21.1.1 during the period of not less than twelve (12) years prior to the date of the publication of the advertisements referred to below (or, if published on different dates, the first thereof) at least three (3) dividends in respect of the shares in question have become payable and no dividend in respect of those shares has been claimed; and
 - 21.1.2 the Company shall following the expiry of such period of twelve (12) years have inserted advertisements in a national newspaper and/or in a newspaper circulating in the area in which the last known address of the Member or the address at which service of notices may be effected under these Articles is located giving notice of its intention to sell the said shares; and
 - 21.1.3 during the period of three (3) months following the publication of such advertisements (or, if published on different dates, the last thereof) the Company shall have received indication neither of the whereabouts nor of the existence of such Member or person; and
 - 21.1.4 notice shall have been given to the stock exchanges on which the Company is listed, if any.

- 22.2 Unless the Company shall have resolved otherwise, any new shares shall be of such class and amount and have such preference or priority as regards dividends or in the distribution of assets or as to voting or otherwise over any other shares of any class, whether then issued or not, or be subject to such stipulations deferring them to any other shares with regard to dividends or in the distribution of the assets as the Board may determine.

- 45.2 The ordinary resolution may specify a particular dividend (whether or not already declared) or may specify all or any dividends declared within a specified period, but such period may not end later than the conclusion of the fifth annual general meeting of the Company to be held following the date of the meeting at which the ordinary resolution is passed.
- 45.3 The basis of allotment shall be decided by the Board so that, as nearly as may be considered convenient, the value of the further shares, including any fractional entitlement, is equal to the amount of the cash dividend which would otherwise have been paid.

- 45.10 The Board may from time to time establish or vary a procedure for election mandates, under which a holder of shares may, in respect of any future dividends for which a right of election pursuant to this Article 45 is offered, elect to receive shares in lieu of such dividend on the terms of such mandate.
- 45.11 The Board shall not make a Scrip Dividend available unless the Company has sufficient unissued shares and undistributed profits or reserves to give effect to elections which could be made to receive that scrip dividend.

47.2 Whenever such resolution shall have been passed, the Board shall make all appropriations and applications of the reserves or profits resolved to be capitalised and all allotments and issues of fully-paid shares and generally shall do all things required to give effect thereto with full power to the Board to make such provision by payment in cash or otherwise as it thinks fit for the case of shares becoming distributable in fractions and also to authorise any person to enter on behalf of all Members entitled thereto into an agreement with the Company providing for the allotment to them respectively credited as fully paid of any further shares to which they may be entitled upon such capitalisation or (as the case may require) for the payment up by the Company on their behalf by the application thereto of their respective proportions of the amounts resolved to be capitalised of the amounts or any part of the amounts remaining unpaid on their existing shares and any agreement made under such authority shall be effective and binding on all such Members.

52.1.3 Any expense or liability of the Company may be amortised over such period as the Directors may determine (and the Directors may at any time and from time to time determine to lengthen or shorten any such period) and the unamortised amount thereof at any time shall also be deemed to be an asset of the Company.

52.1.4 The investments of the Company shall be valued as follows:-

- (a) subject to sub-Article (g), assets listed, quoted or dealt in on a recognised securities exchange (including financial futures, warrants and rights expressed by reference to stock indices) are to be valued at the market dealing price, at the last close of business before the Valuation Point on the recognised securities exchange which, in the opinion of the Directors, is the principal recognised securities exchange on which the asset in question is listed, quoted or dealt in. If separate bid and offer prices are quoted, the price to be adopted for calculating the Net Asset Value shall be the mean average of the two prices;

- 52.1.5 Notwithstanding the foregoing, where at the time as of which the assets are being valued any investment of the Company has been realised or unconditionally contracted to be realised there shall be included in the assets of the Company in place of such investment the net amount receivable by the Company in respect thereof provided that if the net amount receivable is not payable until some further time after the time as of which the assets are being valued the Directors may make such allowance as they consider appropriate.
- 52.1.6 Notwithstanding the rules in sub-Article (4), where an option subsists for another person to purchase an asset from the Company or for the Company to sell an asset to another person, but such option has not been exercised, the value of the asset concerned shall be taken to be the price at which the option is exercisable, at any time at which such price is (in the case where another person is entitled to purchase) lower than, or (in the case where the Company is entitled to sell to another person) higher than, the price by reference to which the value would otherwise be calculated.
- 52.1.7 Any valuations made pursuant to these Articles shall be binding on all relevant persons.
- 52.1.8 The liabilities of the Company shall be deemed to include all its liabilities (including such amount as the Directors determine to provide in respect of contingent liabilities including (but without limitation) liabilities in respect of taxation on income or capital gains whether realised or unrealised) of whatsoever kind and nature. Any unrealised loss on open contracts will be included as liabilities of the Company. In determining the amount of such liabilities the Directors may calculate any liabilities on an estimated figure for yearly or other periods in advance and accrue the same in equal proportions over any such period. All fees and expenses payable by the Company shall be treated as accruing on a daily basis unless the Directors shall otherwise determine.
- 52.1.9 Brokerage commissions on open contracts shall be accrued as a liability of the Company upon the initiation of such positions.

53 **DISCLOSURE OF THIRD PARTY INTERESTS IN SHARES**

- 53.1 The Directors shall have power by notice in writing to require any Member to disclose to the Company the identity of any person other than the Member (an interested party) who has any interest in the shares held by the Member and the nature of such interest.
- 53.2 Any such notice shall require any information in response to such notice to be given in writing within the prescribed period which shall be twenty-eight (28) days after the service of the notice, or fourteen (14) days if the shares concerned represent 0.25 per cent. or more in value of the issued shares of the relevant class, or such other reasonable time period as the Directors may determine.
- 53.3 The Company shall maintain a register of interested parties and whenever in pursuance of a requirement imposed on a shareholder as aforesaid the Company is informed of an interested party the identity of the interested party and the nature of the interest shall be promptly inscribed therein together with the date of the request.
- 53.4 The Directors may be required to exercise their powers under Article 53.1 on the requisition of Members (excluding the holders of treasury shares) of the Company holding at the date of the deposit of the requisition not less than one-tenth of such of the paid up capital of the Company as carries at that date the right of voting at general meetings of the Company.
- 53.5 The requisition must:-
- 53.5.1 state that the requisitionists are requiring the Company to exercise its powers under this Article;

53.5.2 specify the manner in which they require those powers to be exercised; and

53.5.3 give reasonable grounds for requiring the Company to exercise those powers in the manner specified,

and must be signed by the requisitionists and deposited at the Office.

53.6 The requisition may consist of several documents in like form each signed by one or more requisitionists.

53.7 On the deposit of a requisition complying with this Article 53 it is the Directors' duty to exercise their powers under Article 53.1 in the manner specified in the requisition.

53.8 If any Member has been duly served with a notice given by the Directors in accordance with Article 53.1 and is in default for the prescribed period in supplying to the Company the information thereby required the Directors may in their absolute discretion at any time thereafter serve a notice (a **direction notice**) upon such Member as follows:-

53.8.1 a direction notice may direct that, in respect of:-

- (a) the shares comprising the shareholder account in the Register which comprises or includes the shares in relation to which the default occurred (all or the relevant number as appropriate of such shares being the **default shares**); and
- (b) any other shares held by the Member;

the Member shall not be entitled to attend or vote (either personally or by representative or by proxy) at any General Meeting or meeting of the holders of any class of shares of the Company or to exercise any other right conferred by membership in relation to any such meetings; and

53.8.2 where the default shares represent at least 0.25 per cent. of the class of shares concerned, then the direction notice may additionally direct that:-

- (a) in respect of the default shares, any dividend or part thereof which would otherwise be payable on such shares shall be retained by the Company without any liability to pay interest thereon when such money is finally paid to the Member;
- (b) no transfer other than an approved transfer (as set out in Article 53.11.3) of any of the shares held by such Member shall be registered unless:-
 - (i) the Member is not himself in default as regards supplying the information requested; and
 - (ii) the transfer is of part only of the Member's holding and when presented for registration is accompanied by a certificate by the Member in a form satisfactory to the Directors to the effect that after due and careful enquiry the Member is satisfied that no person in default as regards supplying such information is interested in any of the shares the subject of the transfer.

The Company shall send to each other person appearing to be interested in the shares the subject of any direction notice a copy of the notice, but failure or omission by the Company to do so shall not invalidate such notice.

53.9 If shares are issued to a Member as a result of that Member holding other shares in the Company and if the shares in respect of which the new shares are issued are default

shares in respect of which the Member is for the time being subject to particular restrictions, the new shares shall on issue become subject to the same restrictions whilst held by that Member as such default shares. For this purpose, shares which the Company procures to be offered to Members pro rata (or pro rata ignoring fractional entitlements and shares not offered to certain Members by reason of legal or practical problems associated with offering shares outside the United Kingdom or Guernsey) shall be treated as shares issued as a result of a Member holding other shares in the Company.

53.10 Any direction notice shall have effect in accordance with its terms for as long as the default, in respect of which the direction notice was issued, continues but shall cease to have effect in relation to any shares which are transferred by such Member by means of an approved transfer as set out in Article 53.11.3. As soon as practical after the direction notice has ceased to have effect (and in any event within seven days thereafter) the Directors shall procure that the restrictions imposed by Article 53.8 and 53.9 above shall be removed and that dividends and other monies withheld pursuant to Article 53.8.2(a) above are paid to the relevant Member.

53.11 For the purpose of this Article:-

53.11.1 a person shall be treated as appearing to be interested in any shares if the Member holding such shares has given to the Company a notification which either (a) names such person as being so interested or (b) fails to establish the identities of those interested in the shares and (after taking into account the said notification and any other relevant notification) the Company knows or has reasonable cause to believe that the person in question is or may be interested in the shares;

53.11.2 the prescribed period in respect of any particular Member is twenty-eight (28) days from the date of service of the said notice in accordance with Article 53.1 except where the default shares represent at least 0.25 per cent. of the class of shares concerned in which case such period shall be 14 days;

53.11.3 a transfer of shares is an approved transfer if but only if:-

- (a) it is a transfer of shares to an offeror by way or in pursuance of acceptance of a public offer made to acquire all the issued shares in the capital of the Company not already owned by the offeror or Connected Person of the offeror in respect of the Company; or
- (b) the Directors are satisfied that the transfer is made pursuant to a sale of the whole of the beneficial ownership of the shares to a party unconnected with the Member and with other persons appearing to be interested in such shares; or
- (c) the transfer results from a sale made through a recognised investment exchange (as defined in the Financial Services and Markets Act 2000 of the United Kingdom) or any stock exchange outside the United Kingdom on which the Company's shares are listed or normally traded.

For the purposes of this sub-paragraph, any person who is a Connected Person shall be included amongst the persons who are connected with the Member or any person appearing to be interested in such shares.

53.12 Any shareholder who has given notice of an interested party in accordance with Article 53.2 who subsequently ceases to have any party interested in his shares or has any other person interested in his shares shall notify the Company in writing of the cessation or change in such interest and the Directors shall promptly amend the register of interested parties accordingly.

54 C SHARES AND NEW SHARES

54.1 Issues of C Shares

54.1.1 Subject to the Law, the Directors shall be authorised to issue C Shares in tranches on such terms as they determine provided that such terms are consistent with the provisions contained in this Article 54.1.1. The Directors shall, on the issue of each tranche of C Shares, determine the Calculation Time and Conversion Time together with any amendments to the definition of Conversion Ratio attributable to each such tranche.

54.1.2 Each tranche of C Shares, if in issue at the same time, shall be deemed to be a separate class of shares. The Directors may, if they so decide, designate each tranche of C Shares in such manner as they see fit in order that each tranche of C Shares can be identified.

54.2 Dividends and Pari Passu Ranking of C Shares and New Shares

54.2.1 The holders of C Share(s) of a tranche shall be entitled to receive, and participate in, any dividends declared only insofar as such dividend is attributed, at the sole discretion of the Directors, to the C Share Surplus of that tranche.

54.2.2 If any dividend is declared after the issue of any tranche of C Shares and prior to the Conversion of that tranche, the holders of Ordinary Shares shall be entitled to receive and participate in such dividend only insofar as such dividend is not attributed, at the sole discretion of the Directors, to the C Share Surplus of the relevant tranche of C Shares.

54.2.3 The New Shares shall rank in full for all dividends and other distributions declared, made or paid after the Conversion Time and otherwise pari passu with the Ordinary Shares in issue at the Conversion Time.

54.3 Rights as to Capital

The capital and assets of the Company shall, on a winding up or on a return of capital prior, in each case, to Conversion be applied as follows:

- (a) the Share Surplus shall be divided amongst the holders of Ordinary Shares according to the rights attaching thereto as if the Share Surplus comprised the assets of the Company available for distribution; and
- (b) the C Share Surplus shall be divided amongst the holders of C Share(s) *pro rata* according to their holdings of C Shares.

54.4 Voting and Transfer

The C Shares shall carry the right to receive notice of, and to attend or vote at, any general meeting of the Company in the same manner as Ordinary Shares (notwithstanding any difference in the respective Net Asset Values of the C Shares and Ordinary Shares). The C Shares shall be transferable in the same manner as the Ordinary Shares.

54.5 Redemption

54.5.1 The C Shares are issued on terms that each tranche of C Shares shall be redeemable by the Company in accordance with the terms set out in the Articles.

54.5.2 At any time prior to Conversion, the Company may, at its discretion, redeem all or any of the C Shares then in issue by agreement with any holder(s) thereof in accordance with such procedures as the Directors may determine (subject to the facilities and procedures of CREST) and in

consideration of the payment of such redemption price as may be agreed between the Company and the relevant holders of C Share(s).

54.6 Class Consents and Variation of Rights

- 54.6.1 Without prejudice to the generality of the Articles, until Conversion the consent of the holders of the C Shares as a class shall be required for, and accordingly, the special rights attached to the C Shares shall be deemed to be varied, *inter alia*, by:
- (a) any alteration to the memorandum of association of the Company or the Articles; or
 - (b) any alteration, increase, consolidation, division, sub-division, cancellation, reduction or purchase by the Company of any issued or authorised share capital of the Company (other than on Conversion or unless pursuant to a power of the Company that has previously been granted or otherwise approved by shareholders prior to the issue of the relevant tranche of C Shares); or
 - (c) any allotment or issue of any security convertible into or carrying a right to subscribe for any share capital of the Company or any other right to subscribe or acquire share capital of the Company; or
 - (d) the passing of any resolution to wind up the Company; or
 - (e) any change to the accounting reference date of the Company.

54.7 Undertakings

- 54.7.1 Until Conversion, and without prejudice to its obligations under the Law, the Company shall in relation to each tranche of C Shares;
- (a) procure that the Company's records and bank accounts shall be operated so that the assets attributable to the C Shares of the relevant tranche can, at all times, be separately identified and, in particular but without prejudice to the generality of the foregoing, the Company shall procure that separate cash accounts shall be created and maintained in the books of the Company for the assets attributable to the C Shares of the relevant tranche; and
 - (b) allocate to the assets attributable to the C Shares of the relevant tranche such proportion of the expenses or liabilities of the Company incurred or accrued between the Issue Date and the Calculation Time (both dates inclusive) as the Directors fairly consider to be attributable to the C Shares of the relevant tranche including, without prejudice to the generality of the foregoing, those liabilities specifically identified in the definition of "Conversion Ratio" above; and
 - (c) manage the Company's assets so that such undertakings can be complied with by the Company.

54.8 Conversion

- 54.8.1 In relation to each tranche of C Shares, the C Shares shall be converted into New Shares at the Conversion Time in accordance with the following provisions of this paragraph. The Directors shall procure that:
- (a) the Company (or its delegate) calculate, within two Business Days after the Calculation Time, the Conversion Ratio as at the Calculation Time and the number of New Shares to which each

holder of C Shares of that tranche shall be entitled on Conversion;
and

- (b) the Independent Accountants shall be requested to certify, within three Business Days after the Calculation Time, that such calculations:
 - (i) have been performed in accordance with the Articles; and
 - (ii) are arithmetically accurate,

whereupon, subject to the proviso in the definition of Conversion Ratio above, such calculations shall become final and binding on the Company and all Members.

54.8.2 The Directors shall procure that, as soon as practicable following such certificate, an announcement is made to a regulatory information service, advising holders of C Share(s) of that tranche, the Conversion Time, the Conversion Ratio and the aggregate number of New Shares to which holders of C Share(s) of that tranche are entitled on Conversion.

54.8.3 Conversion shall take place at the Conversion Time. On Conversion:

- (a) each issued C Share of the relevant tranche shall automatically convert (by subdivision and/or consolidation or otherwise as the Directors consider appropriate) into such number of New Shares as shall be necessary to ensure that, upon Conversion being completed, the aggregate number of New Shares into which the C Shares convert equals the aggregate number of C Shares of that tranche in issue at the Calculation Time multiplied by the Conversion Ratio (rounded down to the nearest whole New Share).
- (b) the New Shares arising upon Conversion shall be divided amongst the former holders of C Share(s) pro rata according to their respective former holdings of C Shares of the relevant tranche (**PROVIDED ALWAYS THAT** the Directors may deal in such manner as they think fit with fractional entitlements to New Shares, including, without prejudice to the generality of the foregoing, selling any such shares representing such fractional entitlements and retaining the proceeds for the benefit of the Company) and for such purposes any Director is hereby authorised as agent on behalf of the former holders of C Share(s), in the case of a share in certificated form, to execute any stock transfer form and to do any other act or thing as may be required to give effect to the same including, in the case of a share in uncertificated form, the giving of directions to or on behalf of the former holders of any C Shares who shall be bound by them; and
- (c) forthwith upon Conversion, any certificates relating to the C Shares of the relevant tranche shall be cancelled and the Company shall issue to each such former C Shareholder new certificates in respect of the New Shares which have arisen upon Conversion unless such former holder of any C Shares elects to hold their New Shares in uncertificated form.
