FORESIGHT INHERITANCE TAX SOLUTION

APPLICATION FORM

IN CONNECTION WITH THE INVESTOR GUIDE DATED 14 JULY 2023

FOR A SMARTER FUTURE

IMPORTANT

Before completing this Application Form, please carefully read the Investor Guide and Customer Agreement dated 14 July 2023 in relation to the Foresight Inheritance Tax Solution (Foresight ITS) and seek independent advice. Definitions used in the Investor Guide and Customer Agreement apply herein.

Who should use this Application Form?

This Application Form is only to be used in connection with an application to invest in the Foresight ITS pursuant to the Investor Guide and Customer Agreement dated 14 July 2023.

This Application Form is only suitable for, and should only be distributed to, the same category of investors as those for which the Investor Guide and Customer Agreement is suitable.

Who can apply?

You should only apply if your authorised financial adviser has certified that:

- participation in the Foresight ITS meets your objectives;
- you have the expertise, experience and knowledge to understand the risks; and
- you are able to bear the associated risk involved in participating in the Foresight ITS.

We reserve the right to accept Application Forms without an Adviser Certificate if we are otherwise satisfied with all applicable legal and regulatory requirements.

Financial advice, assessment and customer due diligence procedures

You must arrange for a financial adviser authorised by the FCA to carry out:

(i) a suitability assessment in accordance with COBS 9 to ensure that you have the requisite knowledge and experience to participate in the Foresight ITS, and that it meets, and is suitable for, your needs in light of your financial situation and investment objectives; and

(ii) the customer due diligence procedures required by the Money Laundering Regulations. Your authorised financial adviser must complete the Adviser Certificate in Section 8 in confirmation of the above points.

Applications not accepted

If any application is not accepted, application monies will be returned to the applicant(s), without interest, and less any charges incurred prior to, or in connection with, returning such monies.

Please note that the number of shares acquired in investee companies from your subscription monies (net of initial fees) will be rounded down to the nearest whole number of shares. This may mean that there is a nominal excess which will not be reflected in the value of your investment and which will not be refunded. The actual price paid for the number of shares capable of being acquired will be your 'Net Investment Amount'.

Please also note that requests for partial withdrawals (including for the purposes of adviser charges) will, unless otherwise requested, be rounded down to the amount capable of being realised through the disposal of the nearest whole number of shares within your holding.
