

Foresight Accelerated Inheritance Tax Solution

Application Form

In connection with the Investor Guide dated 26 July 2024

Important

Before completing this Application Form, please carefully read the Investor Guide and Customer Agreement dated 26 July 2024 in relation to the Foresight Accelerated Inheritance Tax Solution (Foresight Accelerated ITS) and seek independent advice. Definitions used in the Investor Guide and Customer Agreement apply herein.

Who should use this Application Form?

This Application Form is only to be used in connection with an application to invest in the Foresight Accelerated ITS pursuant to the Investor Guide and Customer Agreement dated 26 July 2024.

This Application Form is only suitable for, and should only be distributed to, the same category of investors as those for which the Investor Guide and Customer Agreement is suitable.

Who can apply?

You should only apply if you meet the eligibility criteria for the Foresight Accelerated ITS and the relevant Insurance Cover and where your authorised financial adviser has certified that:

- participation in the Foresight Accelerated ITS meets your objectives;
- you have the expertise, experience and knowledge to understand the risks; and
- you are able to bear the associated risk involved in participating in the Foresight Accelerated ITS.

Financial advice, assessment and customer due diligence procedures

You must arrange for an authorised financial adviser authorised by the FCA to carry out:

- a suitability assessment in accordance with COBS 9 to ensure that you have the requisite knowledge and experience to participate in the Foresight Accelerated ITS, and that it meets, and is suitable for, your needs in light of your financial situation and investment objectives; and
- the customer due diligence procedures required by the Money Laundering Regulations. Your authorised financial adviser must complete the Adviser Certificate in Section 9 in confirmation of the above points.

Applications not accepted

If any application is not accepted, application monies will be returned to the applicant(s), without interest, and less any charges incurred prior to, or in connection with, returning such monies.

Share allotment period

In the event that, owing to any delay in the application process, shares are not acquired **within two months of the date on the Application Form**, we may require you to re-sign and date the Application Form accordingly.

Please note that the number of shares acquired in investee companies from your subscription monies (net of initial fees) will be rounded down to the nearest whole number of shares. This may mean that there is a nominal excess which will not be reflected in the value of your investment and which will not be refunded. The actual price paid for the number of shares capable of being acquired will be your 'Net Investment Amount'. The insurance cover will apply to your Net Investment Amount.
