Additional Customer Support

Ensuring a positive experience for retail customers, including those whose personal circumstances might require additional support is of the upmost importance to Foresight. Our overall goal is to ensure good customer outcomes at all stages in the customer journey.

Foresight has, therefore, established processes in a way that supports and enables retail customers with additional needs related to their health, age, disability or other circumstances to disclose their needs.

Our people have been provided with training on identifying, understanding and supporting our retail customers where additional support might be required.

Speak to us

Please contact the Investor Relations Team if you have additional support needs, such as requesting documentation in a larger font or a preferred communication method or any other support need. Alternatively, please detail any additional support needs below:

Please note, completion of this section allows a Designated Contact to obtain information only about your shareholding. No changes can be made to the account nor monies withdrawn by the Designated Contact.
