GUBI

Raisonne 01

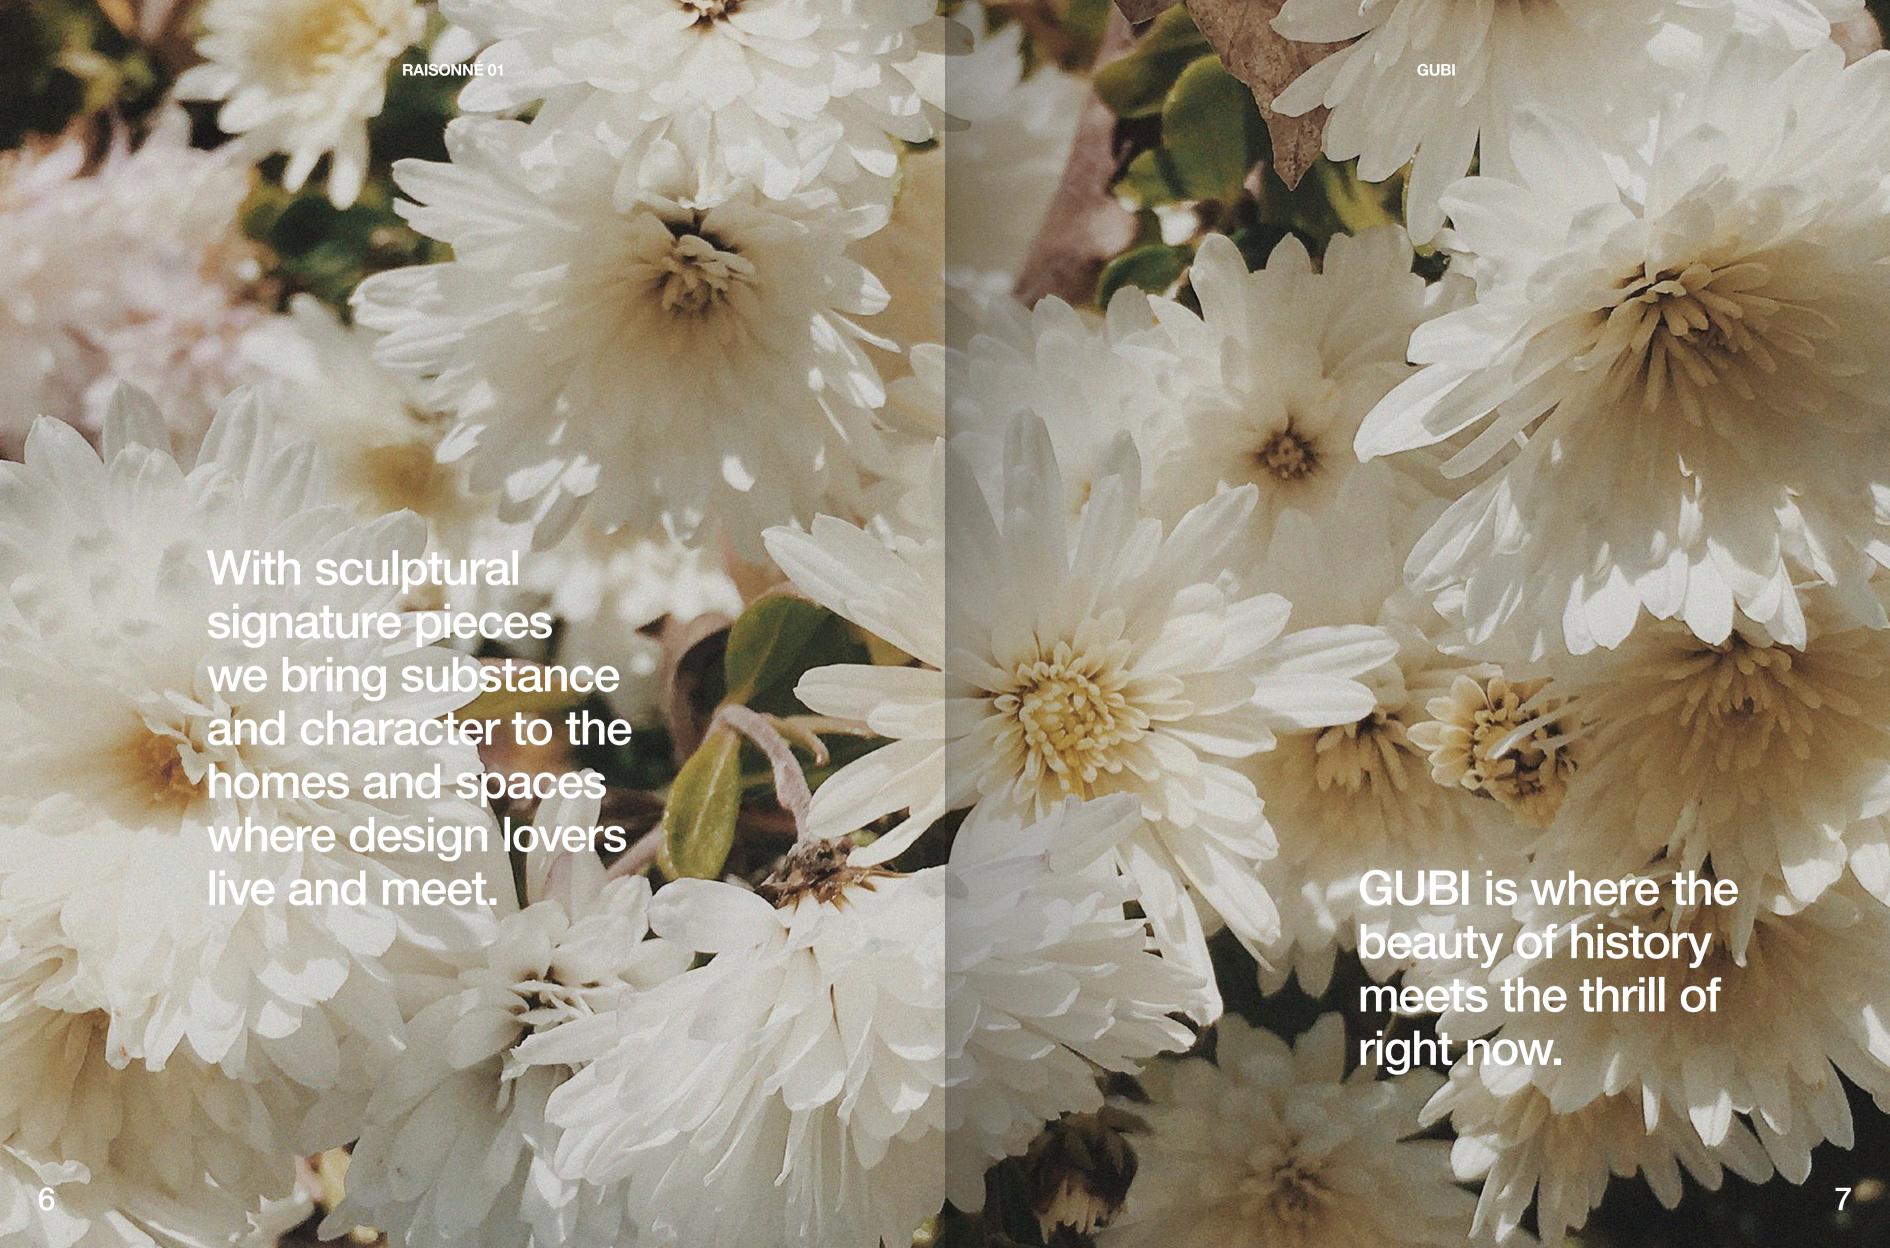

AISONNÉ 01 GUBI

Carefully curated and intuitively iconic. That's been the spirit of GUBI since 1967.

Rediscovering the heart of historical pieces and seeing how a contemporary vibe can help us write new chapters and find harmony in the eclectic.

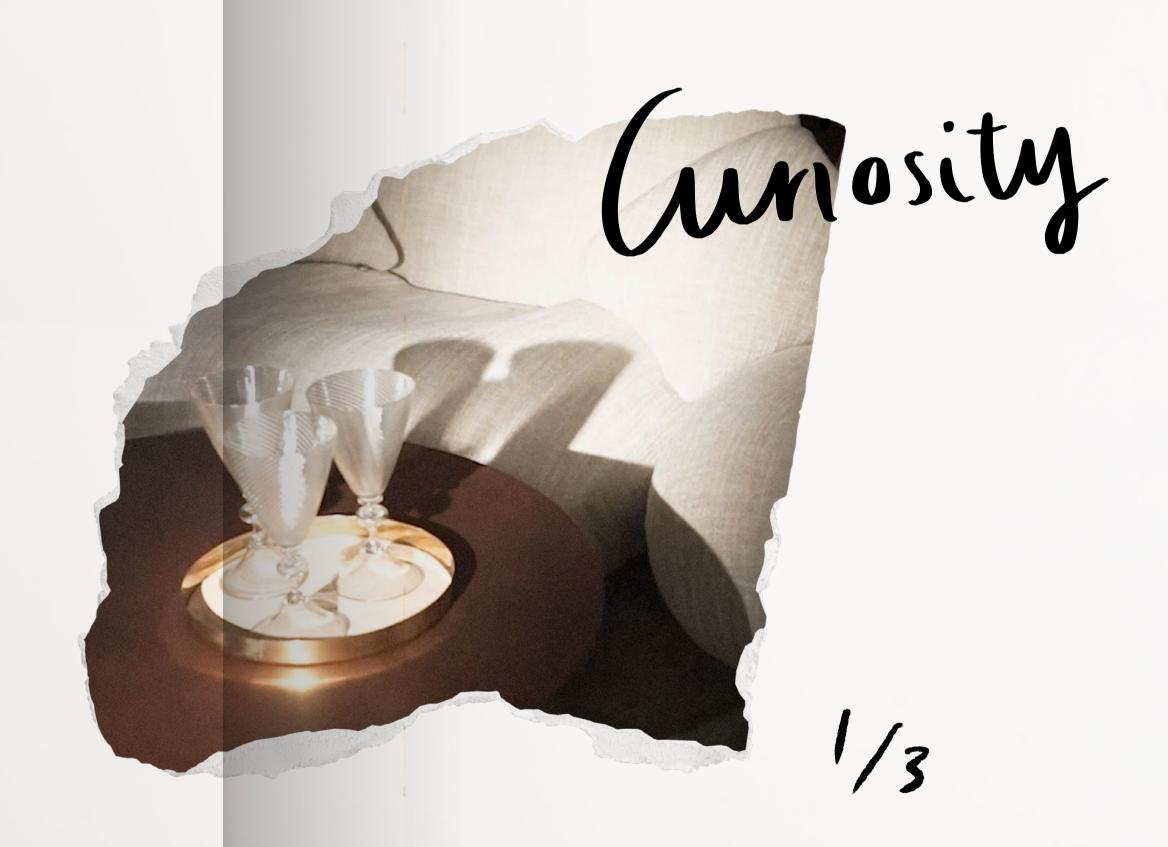

GUBI

Words we live by.
The values we treasure.

RAISONNÉ 01 GUBI

Relentlessly searching for answers outside the comfort zone. Curiosity means never settling for the expected.

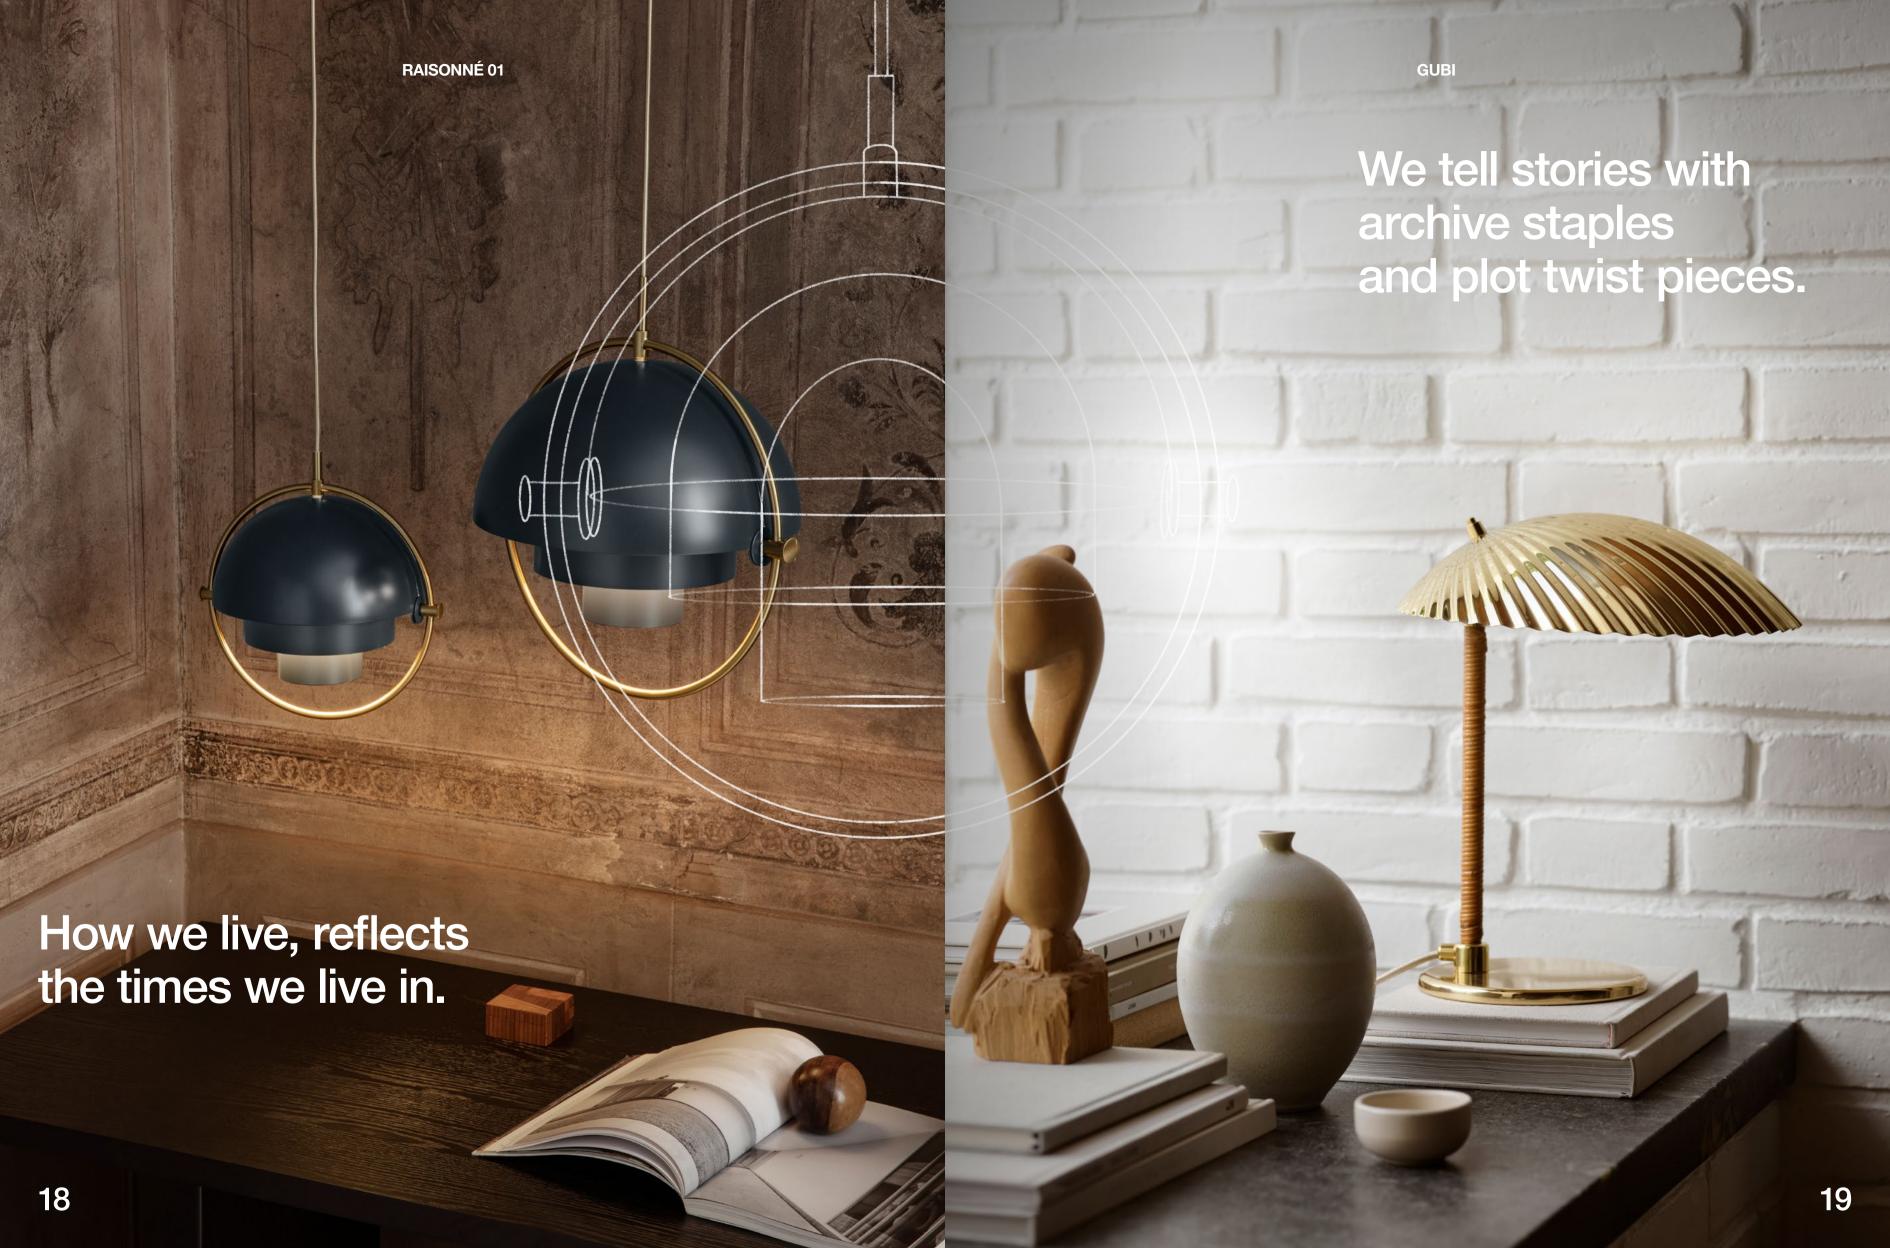

RAISONNÉ 01 GUBI (ourage

Courage is about breaking new ground. Going all in. Courage can't be contained.

 $\frac{2}{3}$

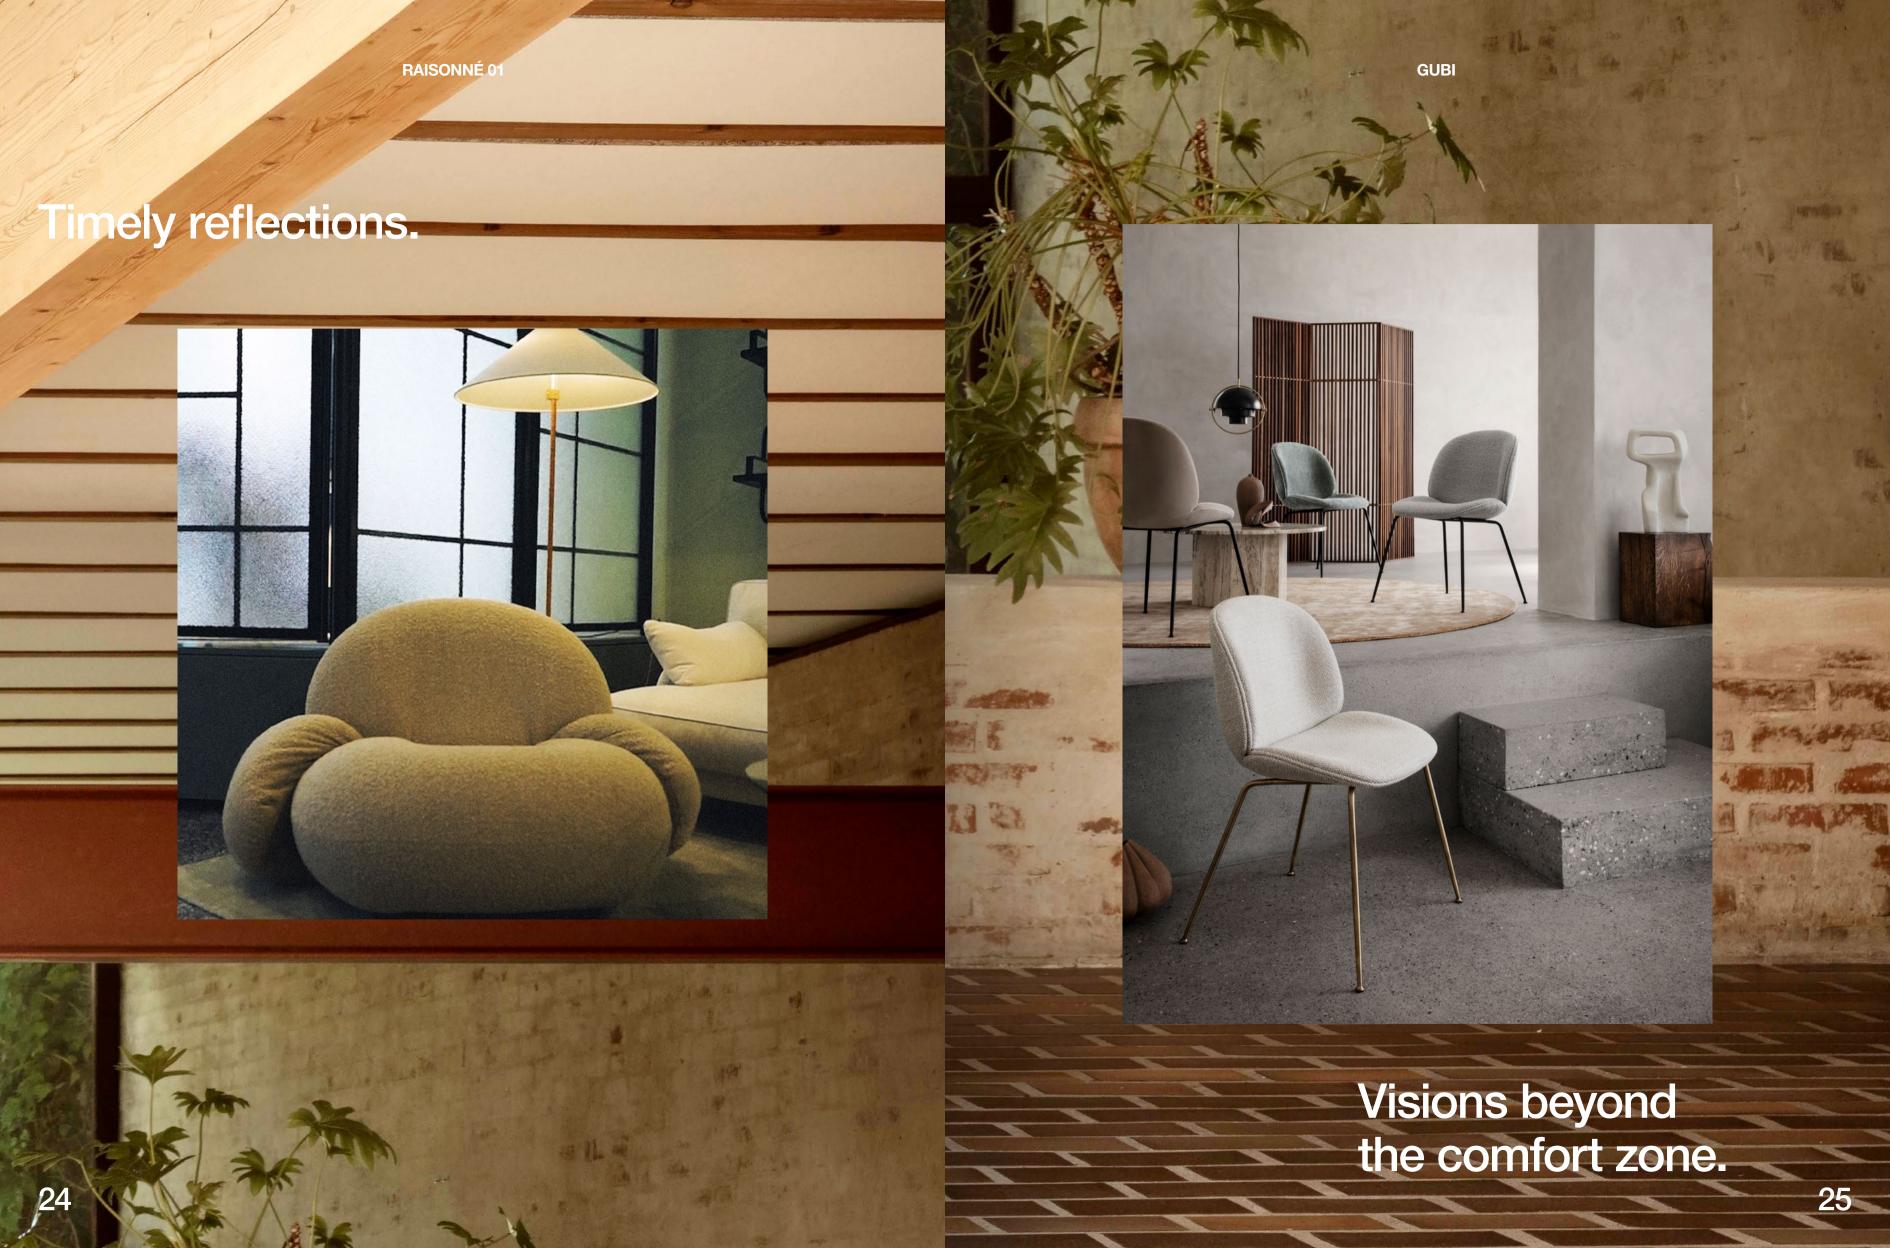

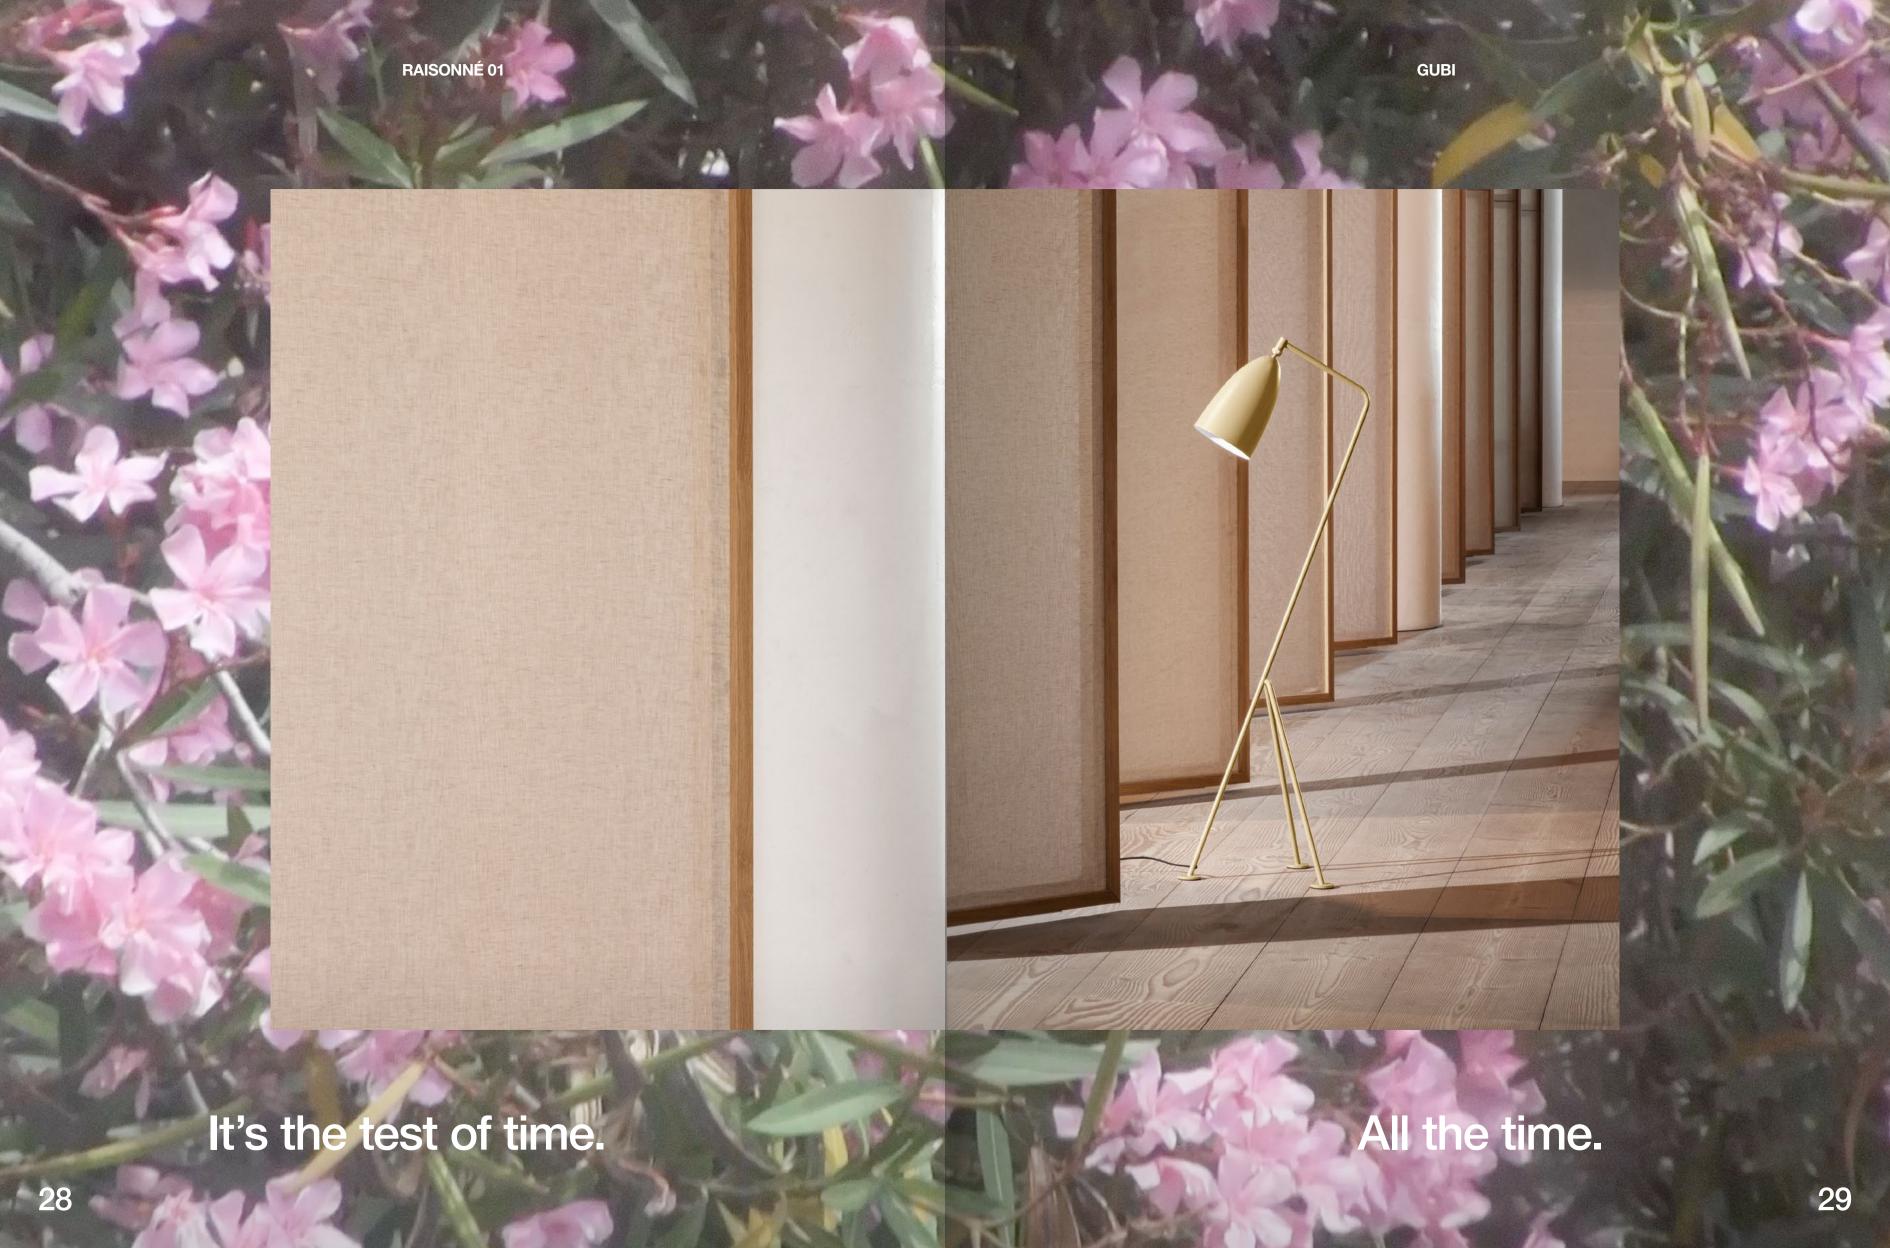

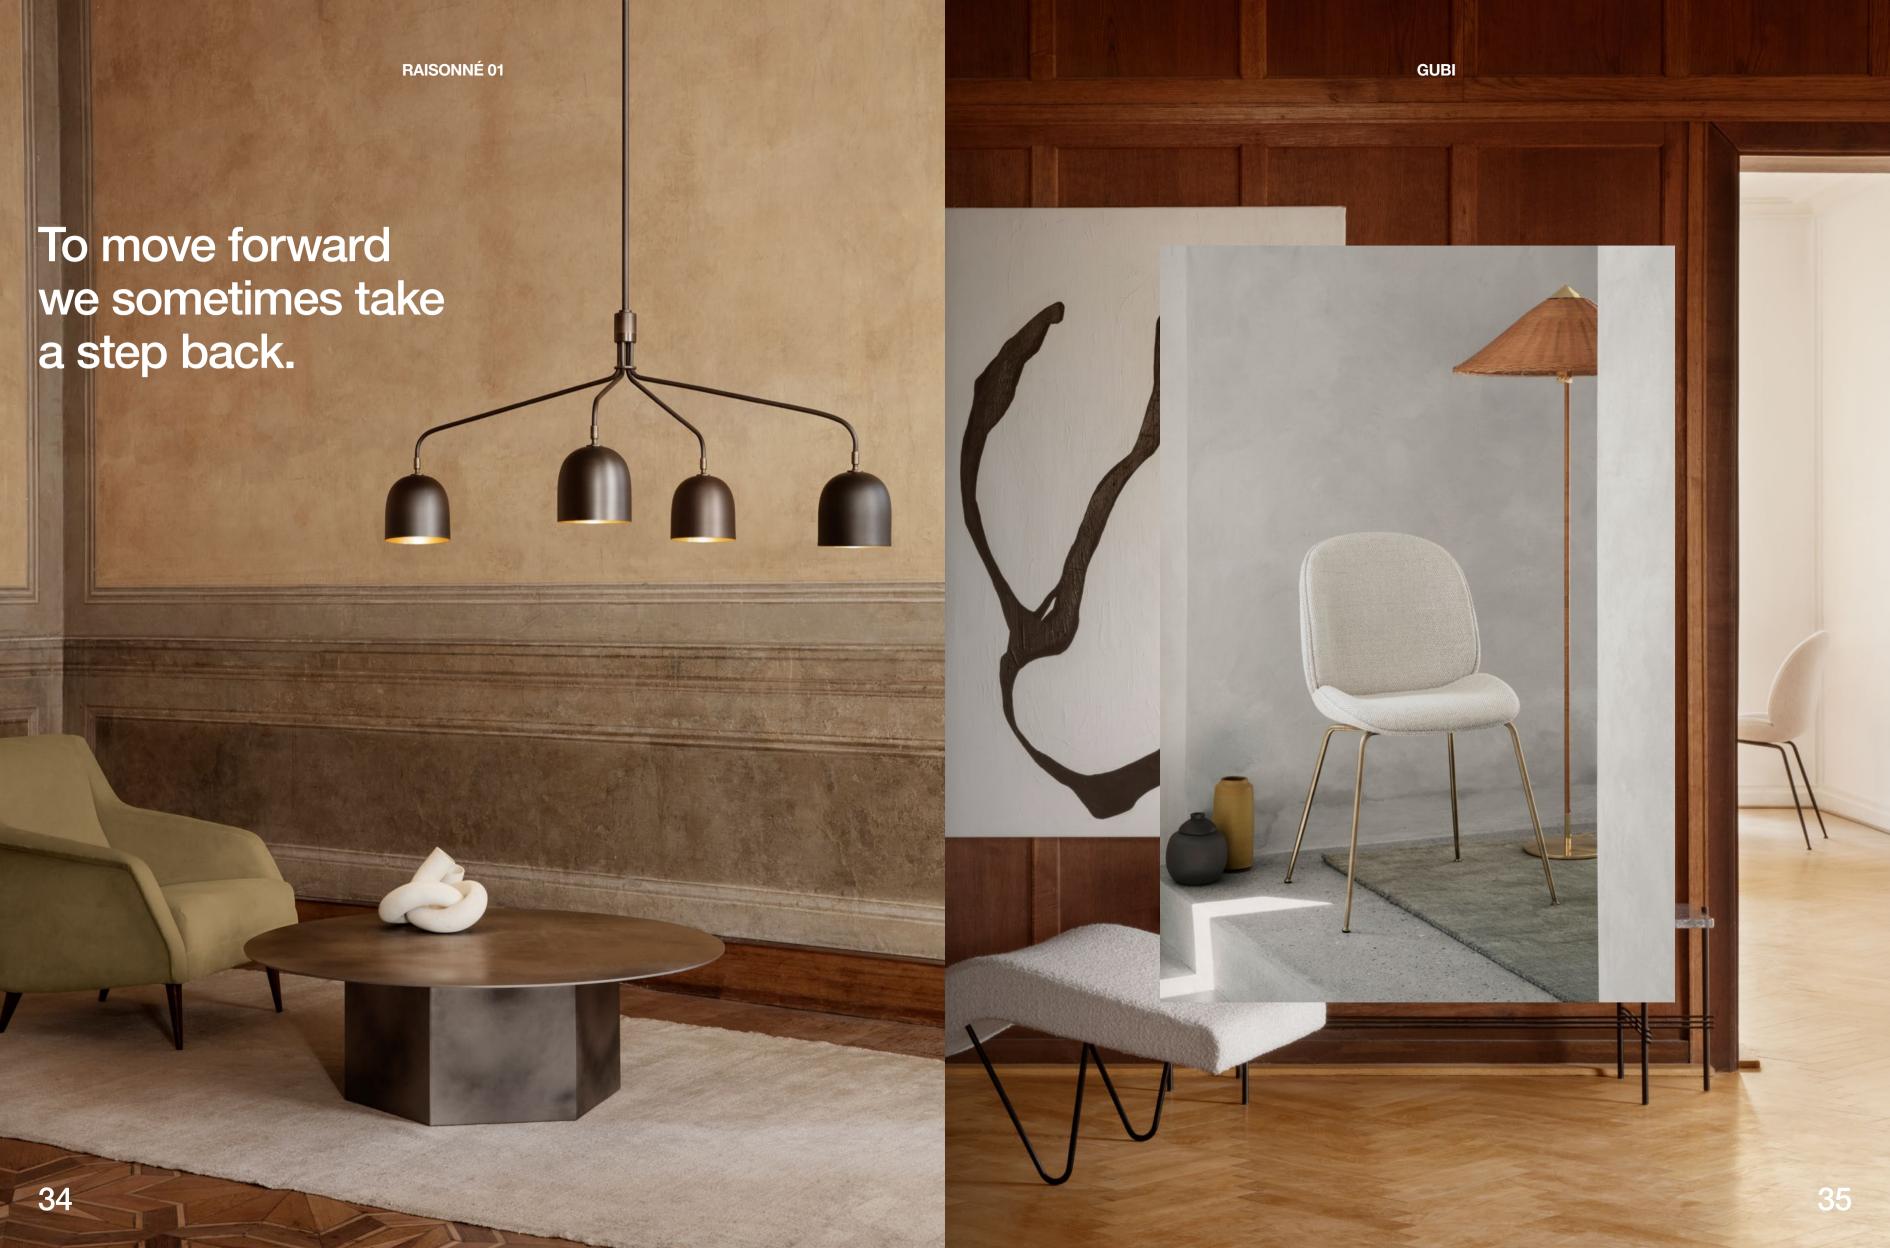

A taste of what's coming.

GUBI goes Al Fresco is everything you love about inside, outside. We've revisited our bohemian heroes to reimagine la dolce vita for today's transteriors and threshold spaces.

It's style that goes where you go - without compromise. Embrace the fading boundaries and find comfort in the in-between.

Come on in. Let's go outside.

MARCEL GASCOIN

A quiet revolutionary, Marcel Gascoin was a French post-war designer known as the father of democratic design. Today, his pragmatic and rational designs are being rediscovered by collectors, curators and designers across the globe.

RAISONNÉ 01 AL FRESCO

The Atmosfera table collection by GUBI's Milan-based design studio brings understated cool and quiet elegance to outdoor dining.

RAISONNÉ 01 AL FRESCO

BILL CURRY

Capturing the zeitgeist of the 1960s and '70s with his iconic lamp designs, Bill Curry translated the wonder and delight he saw around him into simple yet intelligent ideas with clear visual narratives.

MATHIEU MATEGOT

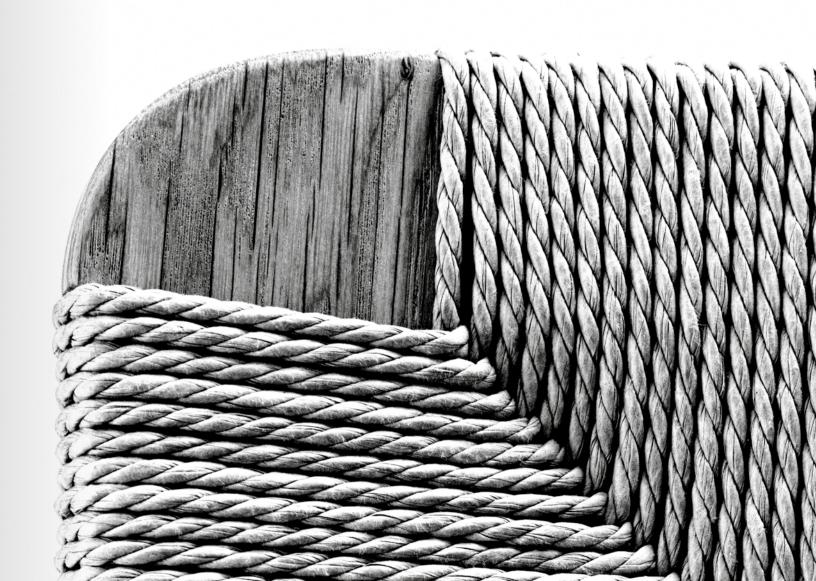

A versatile and self-taught designer, Mathieu Matégot travelled the world in search of inspiration and transformed the industrial processes and aesthetic impressions he had collected into his own iconic designs.

MATERIALS AL FRESCO

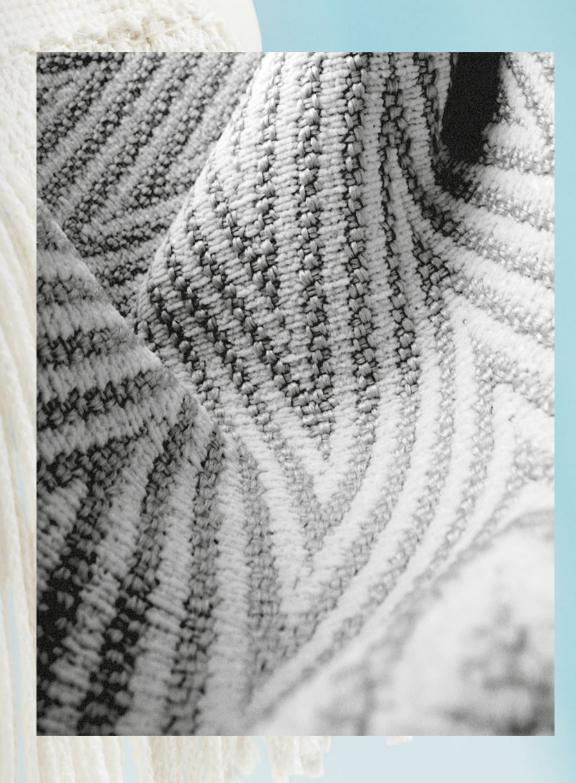

We live in a beautiful world that rewards us when we treat it well.

When we show it the care and attention it deserves.

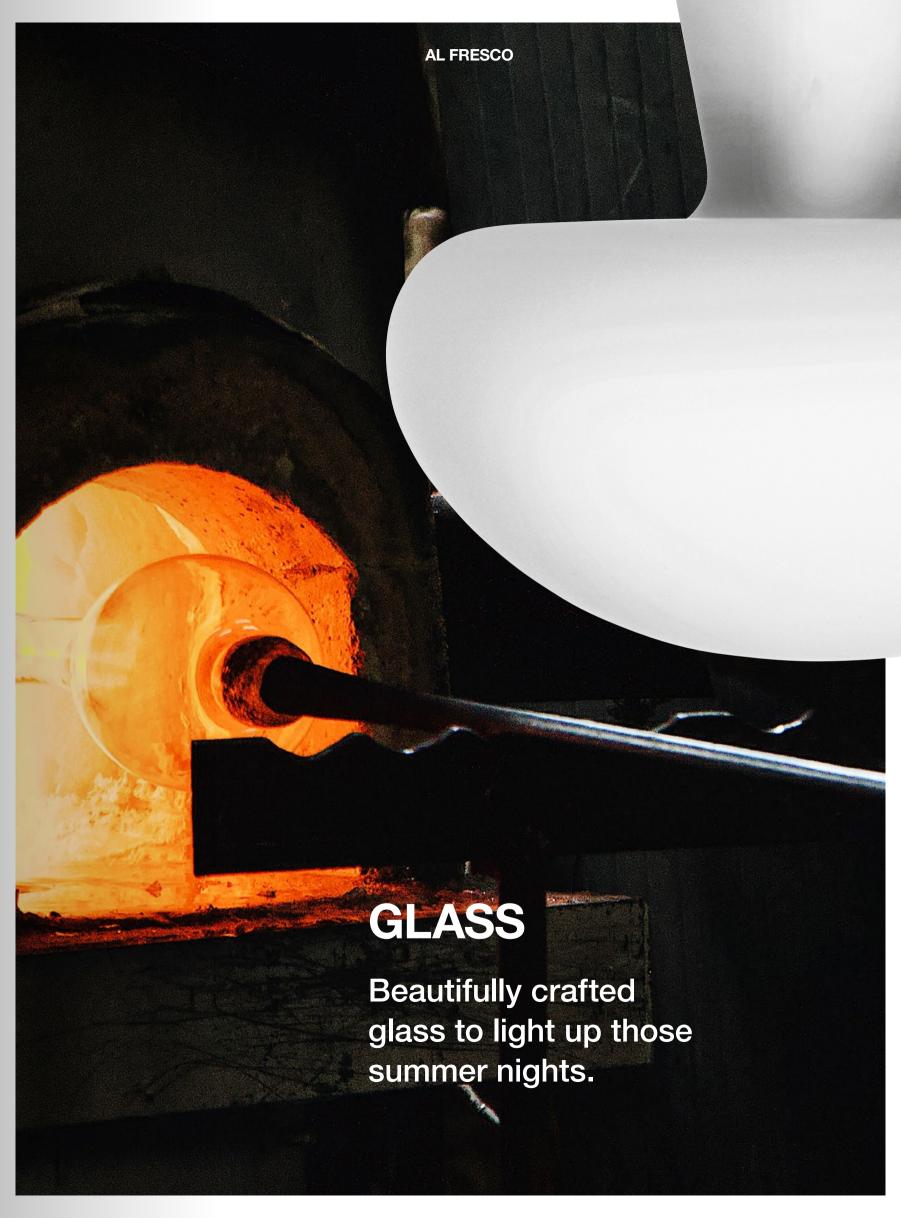

Love the great outdoors and it will love you back.
