Your housing requirements

When considering an application for mutual exchange we use Home Group's room requirement criteria. Applicants may be entitled to more than the minimum depending on circumstances, the age and gender of any children. This is a guideline only as variations may occur.

Household members	Number of bedrooms
Single person/couple	Bedsit or 1 bedroom
Two adults who are not a couple	2 bedrooms
Couple/single parent with one or two children aged under 10	2 bedrooms
Couple/single parent with up to four children aged under 10	3 bedrooms
Couple/single parent with up to four children, and at least one whom is 10 years or over	2 to 4 bedrooms depending on age and gender of children
Couple/single parent with three adult dependants	4 bedrooms

- 'Adult' refers to anyone aged 16 or over
- Households with a medical requirement for level access will be given priority for ground floor flats and bungalows, where they are available.

Eligibility for spare bedrooms – a separate bedroom is considered necessary for:

- Every adult couple (married/civil partnership or unmarried)
- Any adult aged 16 or over who lives with you
- Any two children of the same sex aged under 16
- Any two children aged under 10
- A child with severe disabilities who is unable to share a bedroom
- Any other child
- An approved foster carer to use for placements (subject to meeting the DWP rules)
- A carer (or team of carers) who does not live with the applicant but provides the applicant or their partner with overnight care.

NOTE: Children whose main residence is elsewhere are not eligible for a bedroom.

Information for applicants

Process

Once we have received an application form, a reference will be requested from the other landlord (if applicable) and we will carry out a home visit. The home visit is to ensure all the details on the form are correct and to check the condition of your property before we can approve your exchange. Mutual exchanges are intended to be a voluntary arrangement between tenants, each accepting the accommodation they are moving into in the condition that it is left in by the outgoing tenant. This includes accepting responsibility for tenant's improvements and/or alterations.

The home visit will always be at your current address. We will aim to contact you within 7 working days of the home visit to discuss if the exchange can go ahead or whether certain works need to be carried out before you exchange.

Home Group will not accept responsibility for any environmental health issues, repairing damage, waste disrepair or poor decorative condition except where this is clearly the landlord's responsibility and where the fault is not the consequence of abuse or misuse.

Things to consider

- You can exchange with most other Home Group tenants, or a tenant(s) of another social landlord including local authorities.
- Applications can only be made by the tenant(s) as only tenants can exchange.
- No exchange can take place without prior written consent from Home Group and the other landlord (if applicable).
- You may be required to repair any defect which has been caused by alterations damage or neglect.
- You should remember that fixtures and fittings such as kitchen units, electric dimmer switches, shower units and gas fires are part of the property and must be retained in the property, even if you fitted them yourself.
- If you have a garage and/or shed you should agree to leave all keys to the incoming tenant.
- You should also remember to dispose of any unwanted effects or rubbish from the property garages/sheds and gardens.
- You should also be aware that pets are only permitted with permission from Home Group.
- Depending on the type of tenancies you and your exchange partner have, you may lose security of tenure or benefits of your current tenancy by exchanging your home. In some cases, you take on the same terms as the tenant you are exchanging with. If for example you have the right to buy or preserved right to buy, you may lose these rights. In other cases, you will be given a new tenancy which is equivalent of the one you currently have. Whether you swap tenancies or have a new tenancy depends on who you swap with and what type of tenancy they have, as well as the type of tenancy you have. Please contact Home Group or your landlord (if it is not Home Group) for more information on how this will work.

Viewing the proposed exchange property - what to look for

When viewing the proposed exchange property please consider the following points and confirm with the outgoing tenant what they are leaving including sheds, garage, as part of their tenancy.

- What kind of heating is there?
- Has the garden been maintained?
- The decorative condition of the property – has there been any alterations by the tenant which will become your responsibility.
- Is there allocated parking?
- Is there a garage or shed with the property?

- What do they cook with (gas/electric)?
- Will your cooker, fridge-freezer, washing machine etc. fit in these spaces?
- Are there enough electrical sockets?
- Will your furniture fit into the rooms?
- Are there any washing machine or dishwasher points?
- Is the outgoing tenant leaving carpets behind?
- What type of tenancy agreement do they have?
- How much is the rent?
- Are there any service charges for the property?

Reasons for refusal

Permission for an exchange will usually be granted however it may not be given if any of the tenants who wish to exchange:

- Are subject to an order of the court for the possession of their tenancy.
- Face legal action for possession of their tenancy, or have been served with a notice of proceedings of possession and it is still in force.
- Has an application pending before any court for an order in relation to anti-social behaviour, demotion of their tenancy in relation to them or a person living with them.
- Has a property adapted for a person with special needs and nobody in the new tenant's household has special needs.
- Would have a home that is much larger than their household needs.
- Would have a home that is too small for their household needs.
- Is living in a property that is in a building that's not used for housing purposes and was let to the tenant or their predecessor as part of their job.

This list is not exhaustive and is intended to give applicants an indication of the main reasons for refusal. We will consider each application carefully and give full consideration to the applicants' circumstances.

Tenants who have housing related debts to Home Group will be required to repay all money owed before the exchange can take place.

If you disagree with our decision

If you think we have misunderstood anything in your application, please contact us and we will review it with you. If you are still unhappy after we have spoken, you can use our complaints process. You can submit a complaint online at Home Group | Compliments and complaints, or you can contact us and we will explain how it works.

If you have either given or accepted any money in order to exchange, Home Group may take legal action to gain possession of the property.

When undertaking a mutual exchange you take the property you are moving to in its present condition. If there is any damage in the property to which you are moving which is the tenant's responsibility, you should be aware that this will become your responsibility if not remedied.
