

Annual compliance, without the admin

Every UK company has the same annual compliance obligations. Here is what they are and how Law Debenture can take them off your plate.

Confirmation statement

Confirm to Companies House that your registered office, directors, shareholders and people with significant control are correct. Dormant companies must file too.

Every 12 months

✓ We file it for you

Annual accounts

File annual accounts at Companies House. Most small companies qualify to file simplified accounts.

9 months after year-end

✓ We track every deadline

Statutory registers

Keep your company's official legal records, the registers of members, directors and people with significant control, accurate and up to date.

Kept current year-round

✓ We hold and maintain them

Changes & filings

Report events to Companies House: appointing or removing a director, issuing shares, or changing your registered office or company name.

Within 14 days

✓ We prepare & submit them

Included in our annual compliance service

- Confirmation statement filing
- Statutory register maintenance
- Annual Report filing
- Companies House filings
