Notes to Editors:

Since its inception, almost 10 years ago, StART art fair has helped springboard the careers of a wealth of exciting young talent and is now arguably the most international of contemporary art fairs. With galleries and creatives from every continent, the event is widely known for showcasing tomorrow's international stars. The fair acts as a snapshot of new art from around the world in an intimately sized venue, with the aim of helping critics and collectors navigate the ever-growing geographical expansion of the art world.

StART+ is a series of curated pop-ups in major cities around the world. They are both solo and group exhibitions

StART is a division of Live Company Group a live sports and entertainment company headquartered in the United Kingdom.
