Proposed Acquisition and Conditional Fundraise Notice of General Meeting

You are recommended to read the whole of this document but your attention is drawn, in particular, to the letter from the Independent Director which is set out on pages 6 to 11 of this document. This letter recommends that you vote in favour of the Resolutions to be proposed at the General Meeting. The Directors of Live Company Group Plc accept individual and collective responsibility for the information contained in this document including individual and collective responsibility for compliance with the AIM Rules. To the best of the knowledge and belief of the Directors (who have taken all reasonable care to ensure that such is the case) the information contained in this document is in accordance with the facts and this document makes no omission likely to affect the import of such information.

You will not have received a hard copy proxy form for this General Meeting in the post. You can instead submit your proxy vote electronically by accessing the shareholder portal at www.signalshares.com, logging in and selecting the 'click here to vote' link. Full details of how to vote are set out in the Notes to the Notice of Meeting. Please submit your proxy vote so as to reach the Company's registrar as soon as possible and in any event no later than 2.30pm on 19 May 2021 or if you are a CREST member, by using the service provided by Euroclear.

ARRANGEMENTS FOR THE GENERAL MEETING IN LIGHT OF THE CONTINUING CORONAVIRUS PANDEMIC (“COVID-19”):

As a result of the current crisis of COVID-19 and the UK Government's current measures to restrict public gatherings currently in force, please note that it will not be possible to hold the Company's May 2021 General Meeting in its usual format. In particular, physical attendance in person by shareholders of the Company (other than the minimum number required to form a quorum, as arranged by the Company) will not be possible. Accordingly the General Meeting will be restricted to its formal business only and will be run as a closed meeting.

Shareholders should therefore comply with the Government's rules by not attending the meeting in person and instead are strongly encouraged to submit their proxy vote, appointing the Chairman of the meeting as their proxy to ensure that their votes are registered. Shareholders will not be permitted to attend the General Meeting in person and will be refused entry should they attempt to do so.

In accordance with the Company's articles of association, whilst submission of a proxy vote or the using of the CREST Proxy Voting Service (as applicable) would not ordinarily preclude shareholders from attending, speaking and voting in person at the General Meeting, shareholders are reminded that to attend in person would currently breach the Government's measures in relation to COVID-19 as summarised above. Voting will take place on a show of hands as usual in accordance with the Company's Article of Association (Articles), however, if the Company is of the view that this does not reflect the proxy votes, the Chairman of the meeting will direct voting to be by poll, again in accordance with the Company's Articles.

4 May 2021

To holders of Ordinary Shares and, for information only, to holders of options over Ordinary Shares

Dear Shareholder,

Proposed Acquisition and Conditional Fundraise
Notice of General Meeting

1. Introduction

The purpose of this letter is to outline the reasons for the General Meeting and explain why the Board considers the Resolutions to be in the best interests of the Company and Shareholders as a whole, and why the Board recommends that you vote in favour of the Resolutions.

Accordingly, as the Company's Chairman, David Ciclitira, along with Maria Serena Papi (Serenella Ciclitira) and Ranjit Murugason are Related Parties under the AIM Rules in connection with the proposals described in this Circular, I, Bryan Lawrie, am writing to you today as the Independent Director.

2. Background to and reasons for the General Meeting

The Company announced on 4 May 2021 that:

- 2.1** it had agreed, subject to the passing of the Resolutions at the forthcoming General Meeting, to subscribe for an initial 16.3% of the issued share capital of Start Art Global Limited (Start Art) at a cost of £1,000,000 with the option to increase its shareholding in the Company to 20% within six months;

- 2.2 it had entered into a Placing Agreement, subject to the approval of the Resolutions, for the placing of new Ordinary Shares for the purchase of the interest Start Art and to provide working capital for the growth of the existing Brick and Sports business;
- 2.3 the Placing had been arranged through Monecor to raise £1,500,000 by way of the placing for 30,000,000 new Ordinary Shares at a price of 5p per share; and
- 2.4 as part of the Placing, it has agreed to issue the Broker Warrants to Monecor.

3. **Start Art**

Start Art is a UK private company limited by shares that includes a curated online art-sales platform (due to soft launch at the end of June 2021) and an art news service due to launch before the end of 2021.

The concept of Start Art was launched by David Ciclitira in 2020 as part of the Global Eye Programme and was given further impetus by the financing, strategic vision and knowledge of the Asian art market by Ranjit Murugason, the Deputy Chairman of Start Art. Start Art is managed by Managing Director, Nicola Gross, and supported by Daniel Sumner, Chief Technology Officer.

Start Art currently has fifty artists signed up and will soft launch in June 2021 with “go live” date and revenue generation commencing in from Q3, 2021. It is intended to have 100 artists signed up by the “go live” date.

Start Art will contract with three K-Pop artists with significant social media and fan following to sell their art and limited edition prints on the “go live” date. There will also be a line of merchandise featuring the K-Pop artists’ works. These will be available for sale on the platform from date of launch.

The injection of cash by the Company into Start Art provides the capital required for the development of the existing platform, its expansion to allow for client relationship management (“CRM”) integration, live and pre-recorded TV and News, addition of virtual reality features, a crypto payment gateway (to allow payment of products using virtual currencies) and NFT capabilities as well as other technology based expansions.

Start Art also intends to help artists mint their own non fungible tokens (“NFTs”, a non fungible token is a unique unit of data stored on a blockchain) working with a third party system - OpenSea. Once Start Art has completed the minting process, the NFT will be available to purchase on the platform. This service is anticipated to be available from Q3 of 2021.

Start Art, which was incorporated on 5 January 2021, is at the pre-revenue stage and has yet to prepare any accounts. For the purposes of the Subscription, it is warranting as at 31 March 2021 net assets of £1,464,161 including cash of £260,736.

4. Terms of the Acquisition

The Company has agreed, subject to the passing of the Resolutions, to subscribe for an initial 16.3% of the issued share capital of Start Art at a cost of £1,000,000 with the option to increase its shareholding in the Company to 20% within six months. The Company has also received an undertaking that should Start Art seek additional funds from a third party within 6 months Start Art shall take such steps as may reasonably be required to ensure that the Company's shareholding shall not be diluted below 12%. Additionally, the Company will be party to the Shareholder Agreement which provides standard protections such as pre-emption and "drag and tag" on sale.

5. The Conditional Placing

To provide funding for the completion of the Acquisition and additional working capital for the growth of the Group post lock-down, the Company has raised £1,500,000 (before expenses) by way of a placing of 30,000,000 new Ordinary Shares through Monecor (London) Limited trading as ETX Capital ("Monecor") at a placing price of 5p per share (the "Placing Price") (the "Placing"). The Placing Price represents a discount of 16% to the closing price per Ordinary Share of 5.8p on AIM on 30 April 2021.

The Company has entered into a placing agreement dated 30 April 2020 with Monecor pursuant to which they, as agents for the Company, have procured placees for the Placing Shares at the Placing Price.

The obligations of Monecor under the Placing Agreement are conditional, *inter alia*, upon the approval of the Resolutions at the General Meeting dated 21 May 2021 and the admission of the Placing Shares having occurred by 8.00am on 24 May 2020 (or such later time and/or date as may be agreed, being no later than 8.00am on 27 May 2021), and there being no material breach of the warranties given to prior to admission of the Placing Shares.

Monecor may terminate the Placing Agreement in specified circumstances (including for breach of warranty at any time prior to admission of the Placing Shares, if such breach is reasonably considered by Monecor to be material in the context of the Placing) and in the event of a force majeure event occurring at any time prior to admission of the Placing Shares. If the conditions of the Placing Agreement are not fulfilled on or before the relevant date in the Placing Agreement, placing monies will be returned to placees without interest as soon as possible thereafter. If the Placing Agreement is terminated, the Acquisition will not take place.

The Company will issue broker warrants in the Placing of 5% of the total amount of the Placing. As a result, 1,500,000 Broker Warrants will be issued to Monecor pursuant to the Placing and subject to approval of the necessary authorities at the General Meeting dated 21 May 2021.

Each Warrant will provide the holder the right to one new Ordinary Share on its exercise. The Warrants will be exercisable at a price of 5p for a two year period from the date of the General Meeting, subject to any extension in accordance with the Warrant instrument. If exercised in full, the Warrants would result in the issue of a further 1,500,000 new Ordinary Shares.

6. Related Party Transaction

David Ciclitira is a Director of the Company and a substantial shareholder, together with Maria Serena Papi (Serenella Ciclitira) holding 31.00% of the Company's issued share capital. Mr Ranjit Murugason is also a Director of the Company. Accordingly, they are defined as Related Parties under the AIM Rules.

The Acquisition of the 16.3% shareholding in Start Art, where David Ciclitira is currently a 75% shareholder and Ranjit Murugason is a 25% shareholder, is therefore classified as a Related Party Transaction pursuant to Rule 13 of the AIM Rules. As the Independent Director I consider, having consulted with the Company's Nominated Adviser, Beaumont Cornish Limited, that the terms of the Transaction are fair and reasonable insofar as the Company's Shareholders are concerned.

In forming my view, I have taken into account an independent valuation of the interest being acquired by the Company which has indicated a value range in excess of the consideration being paid. I have also taken into account the desirability of adding a further revenue stream to the Company's existing business.

I have also considered:

- the planned exposure to online art sales, news channel, K-Pop artists, merchandising and digital art and shared infrastructure complements the existing business; and
- that the platform could allow opportunities for the BRICKLIVE division to further market their art-related consumer sets or art linked corporate sales.

In considering these facts and after careful deliberation I have concluded that the Acquisition is beneficial to the Company and that the consideration being lower than the independent valuation range offers value to Shareholders.

7. General Meeting

The Company does not have sufficient authority to allot Ordinary Shares to allocate in relation to the Placing Shares on a non pre-emptive basis above and for its usual anticipated annual requirements. Accordingly, the Board is seeking the approval of Shareholders to increase the Directors' authority to allot Ordinary Shares and disapply the pre-emption rights which apply in relation to the allotment of any new Ordinary Shares.

The authorities that are being sought will be in addition to the authorities that were approved at the Company's General Meeting on 29 January 2021. At the General Meeting in January 2021, the Directors were granted authority to allot Ordinary Shares up to an aggregate nominal amount of £540,692, and to allot Ordinary Shares up to an aggregate nominal amount of £270,346 on a non pre-emptive basis. As at the date of this document, the Directors have allotted and issued 1,863,219 Ordinary Shares, all of which were allotted and issued on a non pre-emptive basis, and accordingly the outstanding balance of the authorities granted at the General Meeting in January 2021 is £522,059.

The Company is also taking the opportunity to seek Shareholder approval for the Acquisition, although there is no requirement under the AIM Rules or the Companies Act to do so.

A notice convening the General Meeting, which is to be held at 2.30pm on 21 May 2021 at Capitol House, 60-62 Leaman Street, E1 8EU, is on page 15. A Form of Proxy to vote electronically is available by accessing the shareholder portal at www.signalshares.com, logging in and selecting the 'click here to vote' link. At the General Meeting, the following Resolutions will be proposed:

Resolutions 1 and 2 are ordinary resolutions and require a simple majority of those voting to vote in favour of that resolution. Resolutions 3, 4 and 5 are special resolutions and will require not less than 75 per cent of those voting in person or on a poll by proxy to vote in favour of that resolution.

8. Actions to be taken

In light of the on-going Coronavirus (Covid-19) pandemic and the social distancing measures in place, shareholders will not be able to attend the General Meeting in person and arrangements for the General Meeting may also need to change at short notice.

You will not receive a hard copy form of proxy for the General Meeting in the post. Instead, you will be able to vote electronically at www.signalshares.com. You will need to log into your Signal Shares account or register if you have not previously done so. To register you will need your Investor Code which is detailed on your share certificate.

Given the current circumstances, the Company strongly encourages shareholders to vote electronically by no later than 2.30pm on 19 May 2021 (or, in the case of an adjournment of the General Meeting, not later than 48 hours before the time fixed for the holding of the adjourned meeting).

If you hold your shares in the Company in uncertificated form (that is, in CREST) you may vote using the CREST Proxy Voting service, quoting CREST ID RA10, in accordance with the procedures set out in the CREST Manual (please also refer to the accompanying notes to the Notice of the General Meeting set out at the end of this document). Proxies submitted via CREST must be received by the Company's agent, Link Group, by no later than 2.30pm on 19 May 2021 (or, in the case of an adjournment, not later than 48 hours before the time fixed for the holding of the adjourned meeting).

9. Recommendation

The Board believes that the Resolutions to be proposed at the General Meeting are in the best interests of the Company and Shareholders as a whole and unanimously recommend that Shareholders vote in favour of the Resolutions.

The Directors intend to vote in favour of the Resolutions in respect of the Ordinary Shares held by them, which represent in aggregate approximately 32 per cent of the Existing Ordinary Shares.

Shareholders should take independent advice if they wish to consider the suitability of these risks with regard to their own particular circumstances and investment criteria.

Copies of this document will be available for inspection free of charge at the registered office of the Company and on its website <http://www.livecompanygroup.com> during normal business hours on any Business Day from the date of this document up to and including the date of the General Meeting.

Yours faithfully

A handwritten signature in blue ink, appearing to read 'B. Lawrie', with a stylized flourish at the end.

Bryan John Lawrie

- b) The instrument appointing a proxy must reach the Company's Registrars Link Group, at PXS1, Central Square, 29 Wellington Street, Leeds, LS1 4DL not less than 48 hours before the time of holding of the meeting.
- c) Pursuant to Regulation 41 of the Uncertificated Securities Regulations 2001, the Company specifies that only those members of the Company on the register at close of business on 19 May 2021 shall be entitled to vote at the General Meeting in respect of the number of shares registered in their name at that time. Changes to the register of members after that time will be disregarded in determining the rights of any person to attend or vote at the meeting.
- d) In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first-named being the most senior).
- e) In the case of a member which is a company, the proxy form must be executed under its common seal or signed on its behalf by an officer of the company or an attorney for the company. Any power of attorney or any other authority under which the proxy form is signed (or a duly certified copy of such power or authority) must be included with the proxy form.
- f) CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the General Meeting to be held on 21 May 2021 at 2.30pm and any adjournment(s) thereof by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider should refer to their CREST sponsors or voting service provider(s), who will be able to take the appropriate action on their behalf. In order for a proxy appointment or instruction made by means of CREST to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message must be transmitted so as to be received by the Company's agent, Link Group (CREST Participant ID: RA10), no later than 48 hours before the time appointed for the meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Application Host) from which the Company's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. CREST members and, where applicable, their CREST sponsor or voting service provider should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider takes) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsor or voting service provider are referred in particular to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
