60 YEARS LONGLEAT

Adventure Castle

The Adventure Castle is wheelchair and pushchair friendly. Accessible play equipment for those in a wheelchair, such as a wheelchair swing, is available. Some equipment may not be accessible for wheelchair users or those with limited mobility.

Hedge Maze

We regret that our Hedge Maze is not accessible for wheelchairs.

Please note, there are over a mile and a half of paths to choose from within the maze, so this can take between 20 – 90 minutes to navigate. Vulnerable guests should be accompanied at all times.

Other attractions

Access to some of our attractions is historic and may be via cobbled pathways, steps or steep ramps.

Wheelchair & mobility scooter hire

We want all of our visitors to have an amazing day with us. Signs are located around the park to highlight crowded spaces, hot areas and core accessibility information. Forgotten your sensory bag of essentials? We can help ensure you have an enjoyable experience with us today as bags containing ear defenders and fidget toys are available to hire from Guest Services in the main square for a refundable deposit.

Queue Assist Scheme

We understand that some guests require additional assistance to be able to fully enjoy their visit.

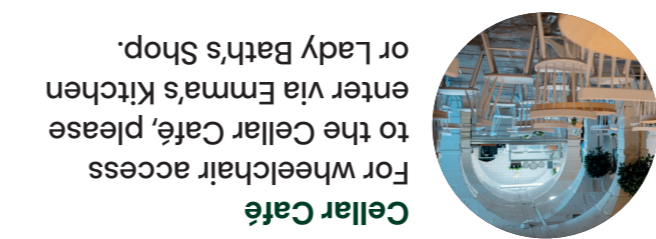

Any guest wishing to use a Queue Assist Scheme pass must have a valid Access Card or the free Longleat Digital Access Pass.

Queue Assist passes can then be collected from Guest Services in the Main Square on arrival. The Queue Assist Pass Holder must be accompanied by a responsible individual aged 14 or over and standard attraction rules apply. Full details can be found on our website.

A maximum of four individuals will be allowed to accompany the Queue Assist Scheme pass holder at each attraction and the Queue Assist Scheme pass holder must be present with their pass at all times.

Facilities

There are seven accessible toilets located around the park including a toilet with a hoist (located near Lord Bath's Sweet Shop). A radar key is available from Guest Services.

Cellar Café

On the advice of the fire service, only two wheelchair users are allowed on any floor so we can accommodate four wheelchairs in the House at a time; this allows for one wheelchair per tour. Access to the House for guests with limited mobility can be found via Emma's Kitchen or Lady Bath's Shop. For more information or to book a paid for guided tour, visit Guest Services.

African Village

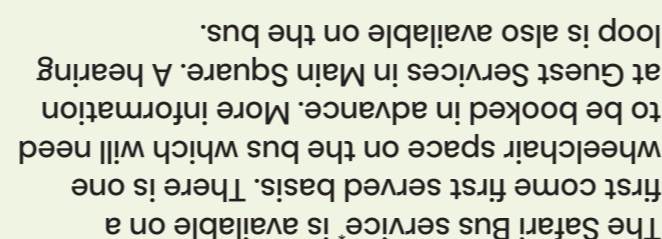

This is where you can get out of the car and get closer to the animals.

Wander through our lemur enclosure and enjoy spectacular views of the East African Reserve. Please note the lemur enclosure is accessible via a gravel path.

Our Look Out, where you can come face to face with our African painted dogs, can be accessed via a ramp.

Both our refreshment area – The Watering Hole Café – and African Traders Shop are also accessible.

Safari Bus service

The Safari Bus service* is available on a first come first served basis. There is one wheelchair space on the bus which will need to be booked in advance. More information at Guest Services in Main Square. A hearing loop is also available on the bus.

Longleat Railway

All aboard! Enjoy the incredible views as you trundle along the edge of Half Mile Pond. Trains run every 30 minutes from 11am and the journey lasts approximately 12 minutes. There is a specially adapted carriage that can accommodate up to two wheelchair users and a companion each.

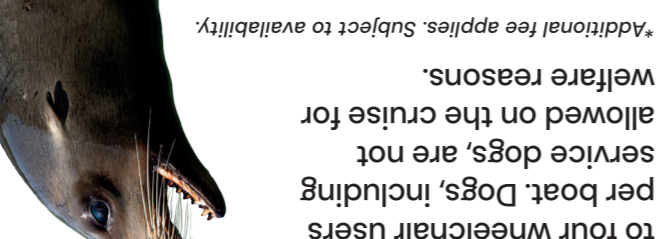

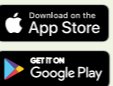

Service Dogs

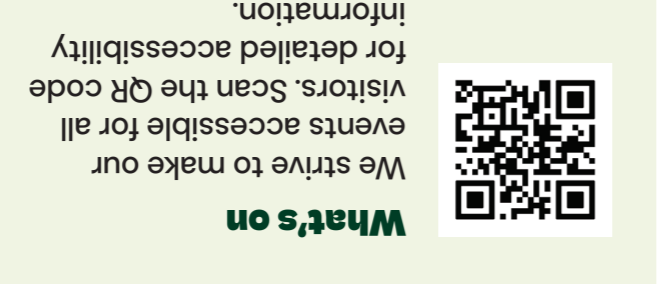

Service dogs are welcome everywhere excluding the Safari Park, Jungle Kingdom, Jungle Cruise, Monkey Temple and Animal Adventure for welfare reasons. Pets including dogs are not allowed on Longleat grounds, except within our kennelling facilities, located at the Safari Park entrance.

Longleat App

Connect to Longleat Guest WiFi to download. It includes audio commentary for the Safari Park.

Jungle Cruise

Take a voyage of discovery! Cruise past our Colobus monkeys and our band of western lowland gorillas. Meet our NEW pod of sea lions! Boats run from 10am – park close (subject to daylight hours). It is accessible for wheelchair users and those with limited mobility. We can accommodate up to four wheelchair users per boat. Dogs, including service dogs, are not allowed on the cruise for welfare reasons.
