

SERVICES IN SUMMARY

Quantitative Analytics, Research & Trading

Quantitative Analytics, Research & Trading

Are you looking for exceptional talent, who can develop models that forecast markets and make fast, accurate, and profitable decisions to transform your organizations' trading strategies?

At Selby Jennings we specialize in identifying top quantitative analytics, research & trading talent, providing permanent, contract, and multi-hire recruitment solutions for your business from our hubs all over the world. As a leading quantitative analytics, research & trading talent partner, we are committed to supporting companies to ensure they secure high-level financial sciences and services professionals.

In addition to efficiently placing in-demand professionals, organizations that work with us benefit from our consultants' unparalleled expertise, whether they need support upskilling their workforce, streamlining hiring processes, or salary and compensation benchmarking.
