“

We are highly selective about our agency partners and Selby Jennings has been a trusted partner for years. Working with them on our legal role was my first interaction with the EU team and their consultants were excellent partners. Selby Jennings calibrated the candidate pipeline thoughtfully as we iterated on the search and ultimately found us a perfect hire - demonstrating immense patience and resilience during a difficult (and often frustrating!) search and remained a great partner throughout. I'm eager to work with Selby Jennings again in the future!
