# Energy, Construction & Infrastructure

As a premier talent partner in the energy, construction & infrastructure industry, Larson Maddox offers comprehensive recruitment solutions globally. Specializing in project development, commercial, project finance, M&A, environmental, regulatory, EPC, construction, energy commodities, real estate, litigation, and corporate law, we excel in placing top-tier legal professionals.

Our expertise spans renewable energy (solar, wind, hydropower, geothermal, RNG, biofuels, carbon capture, hydroelectric, BESS), traditional energy (petroleum, oil, pipeline & refining, oil & gas drilling and production, LNG, nuclear), construction, engineering, environmental and utilities (electric, gas, water). From permanent to contract placements, we streamline hiring processes, upskill workforces, and offer salary benchmarking, ensuring unparalleled support for our clients worldwide.

“

*Larson Maddox generated a truly outstanding pipeline of candidates for our general counsel position. They created real enthusiasm among our applicants, and kept us organized in our hiring process. Five stars out of five.*
