Dear Shareholder

Proposal for waiver of obligations under Rule 9 of the City Code on Takeovers and Mergers and Notice of Annual General Meeting

1 INTRODUCTION

I am writing to you today to explain the Proposal for which the Directors are seeking your approval at the Company's Annual General Meeting to be held at Cassini House, 57 St James's Street, London SW1A 1LD on 5 October 2021 at 11.00 a.m. Similar to the process undertaken in both 2020 and 2019, the Proposal aims to continue to streamline the Company's future fundraisings which should reduce costs and increase flexibility. The Proposal is necessary because the existing waiver of obligations under Rule 9 of the Code granted at the Company's General Meeting held on 2 October 2020 will expire at midnight on 1 October 2021.

The Whitewash Resolution seeks approval of a waiver of the obligation that could arise on the members of the Concert Party (described in paragraph 4 below) to make a general offer for the entire issued share capital of the Company as a result of the issue of New Growth Shares to discretionary clients of Puma Investment Management Limited ("**PIML**" or the "**Trading Adviser**"), an asset management subsidiary of Shore Capital Group Limited. In addition to the Whitewash Resolution, the resolutions to be proposed at the Annual General Meeting are standard resolutions for such a meeting and include resolutions to reappoint the Company's auditors.

Please note, some very important information at paragraph 7.3 regarding voting, and attendance at the Annual General Meeting in light of potential Covid-19 related restrictions.

2 INFORMATION ON THE COMPANY

The Company is an independent commercial trading company incorporated and registered in England and Wales on 7 November 2012. It was established to operate in a range of sectors predominantly in the United Kingdom, with the primary focus on secured lending. The

Company currently has one wholly-owned subsidiary, Heritage Square Limited, which carries out secured lending.

The Company's consolidated audited accounts for the year ended 28 February 2021 are posted on the Company's website and show that several new secured loans were made during the year. The Board considers there to be a strong pipeline of potential transaction opportunities which meet their lending criteria and expects the Company to proceed with these over the coming months. The relevant page on the Company's website on which the accounts for the year ended 28 February 2021 are posted is: <http://www.pumaheritage.co.uk/literature.html>.

The Trading Adviser has, since November 2017, offered a discretionary managed service to clients who, through their independent financial advisers, seek to invest in companies which qualify for Business Relief. The service is now called the Puma Heritage Estate Planning Service (**EPS**) and offers investors the opportunity to invest in private trading companies, including the Company. Over the period from 10 September 2020 to 7 September 2021, 19,300,571 Growth Shares have been issued by the Company to discretionary clients of the Trading Adviser through the EPS, raising a total of £22,618,324.90 for the Company. The Trading Adviser anticipates that demand for New Growth Shares for clients of the EPS will continue over the coming period.

The Company's share capital comprises Ordinary Shares, Income Shares and Growth Shares. Each such class of Share entitles its holders to one vote per Share.

3 CITY CODE

The Trading Adviser anticipates that EPS Additional Subscriptions and/or redemptions in the period of 12 months commencing on the date of the Annual General Meeting will give rise to certain considerations under the City Code. As discretionary investment manager of clients who hold Shares in the Company via the EPS, the Trading Adviser controls the voting rights attaching to the Shares of such EPS investors and is therefore interested in those Shares for the purposes of Rule 9 of the City Code. As the principal source of new funds to the Company is from subscriptions from discretionary clients of the Trading Adviser under the EPS, the portion of the Shares which the Trading Adviser is presumed (for the purposes of the City Code) to control will increase as additional Shares are subscribed for via the EPS and also as result of any redemptions by non-EPS shareholders.

Brief details of the Panel, the City Code and the protections they afford are set out below.

The City Code is administered by the Panel. The City Code applies, inter alia, in certain circumstances to private companies which have their registered office in the UK, Channel Islands and the Isle of Man including when they have filed a prospectus for the offer, admission to trading or issue of securities with the registrar of companies or any other relevant authority in the United Kingdom, the Channel Islands or the Isle of Man (but in the case of any other such authority only if the filing is on a public record) at any time during the 10 years prior to the relevant date.

Therefore, following the re-registration of the Company as a private company on 4 November 2019, the Company remains subject to the City Code. Accordingly, Shareholders are entitled to the protections afforded by the City Code.

Under Rule 9 of the City Code, when:

- (a) any person acquires, whether by a series of transactions over a period of time or not, an interest in shares which (taken together with shares in which persons acting in concert with him are interested) carry 30% or more of the voting rights of a company; or
- (b) any person, together with persons acting in concert with him, is interested in shares which in the aggregate carry not less than 30% of the voting rights of a company but does not hold shares carrying more than 50% of such voting rights and such person, or any person acting in concert with him, acquires an interest in any other shares which increases the percentage of shares carrying voting rights in which he is interested,

such person is normally required to make a general offer to the holders of any class of equity share capital whether voting or non-voting and also to the holders of any other class of transferable securities carrying voting rights.

An offer under Rule 9 of the City Code must be made in cash and at the highest price paid by the person required to make the offer, or any person acting in concert with him, for any interest in shares of the Company during the 12 months prior to the announcement of the offer.

Under Rule 37.1 of the Code, when a company redeems or purchases its own voting shares, any resulting increase in the percentage of shares carrying voting rights in which a person or group of persons acting in concert is interested will be treated as an acquisition for the purpose of Rule 9. Subject to prior consultation, the Panel will normally waive any resulting obligation to make a general offer if there is a vote of independent shareholders.

Accordingly, the Company will need such a waiver in order to be able to remain open to further subscriptions through the EPS and/or redemptions.

4 WAIVER OF RULE 9 UNDER THE CITY CODE

Persons acting in concert comprise persons who, pursuant to an agreement or understanding (whether formal or informal), co-operate to obtain or consolidate control of a company or to frustrate the successful outcome of an offer for a company to which the City Code applies.

For the purposes of the City Code, a company, its parent, subsidiaries and fellow subsidiaries, and their associated companies, and companies of which such companies are associated companies, all with each other (for this purpose ownership or control of 20% or more of the equity share capital of a company is regarded as the test of associated company status), are presumed to be acting in concert.

Accordingly, the Trading Adviser, together with Shore Capital Group Limited, as parent undertaking of the Trading Adviser, and other subsidiaries of Shore Capital Group Limited, including Shore Capital Limited, are presumed to be acting in concert with each other (the **Concert Party**), and their interests in Shares are to be aggregated.

The members of the Concert Party currently hold 2 Ordinary Shares and 51,002,643 Growth Shares, which in aggregate carry 43.16% of the voting rights in the Company.

The percentage of shares carrying voting rights held by the Concert Party could increase as a result of either the Concert Party subscribing for additional Shares by means of EPS Additional Shares or the redemption of Shares by shareholders other than members of the Concert Party.

The increase in the percentage of Shares carrying voting rights held or managed by members of the Concert Party would, prima facie, trigger an obligation for the Concert Party to make an offer for the remaining shares in the Company under Rule 9.1 of the City Code. However, the Panel has agreed to waive this obligation subject to the Whitewash Resolution being approved in a vote of Independent Shareholders in the Annual General Meeting.

The table below sets out the Concert Party's existing shareholdings in the capital of the Company and the illustrative shareholdings that the Concert Party is expected to hold on the date falling 12 months after the Annual General Meeting.

The projected position of the Concert Party as of October 2022 presented in the table is illustrative only, and reflects the Company's best estimate of what the Concert Party's shareholding is likely to be based on the projected level of monthly subscriptions and redemptions. On this basis, the Company anticipates that in the 12 months from the date of the Annual General Meeting the Concert Party's aggregate interests may increase to 2 Ordinary Shares and 89,002,643 Growth Shares, representing in aggregate 56.99% of the voting rights.

Name	Current Position as at 7 September 2021 (Note 1)				Projected Position as at 4 October 2022 (Notes 1 & 2)			
	Ordinary Shares	Growth Shares	Income Shares	% of voting rights	Ordinary Shares	Growth Shares	Income Shares	% of voting rights
EPS Subscriptions (controlled by the Trading Adviser)	-	51,002,643	-	43.16	-	89,002,643	-	56.99
Shore Capital Limited	2	-	-	0.00	2	-	-	0.00
Total	2	51,002,643	-	43.16	2	89,002,643	-	56.99

Notes:

1. In each case above it is assumed that no other person has converted any convertible securities or exercised any option or any other right to subscribe for shares in the Company following the date of this document, and that any redemptions are not pro rata with the interests of the Concert Party.
2. Based on there being 118,182,169 voting rights in aggregate at the date of this document: assuming the EPS Additional Subscriptions are for 38,000,000 Growth Shares (being the Trading Adviser's estimate for EPS Additional Subscriptions for the next twelve months), no other person acquires any existing Shares or subscribes for New Shares, and there are no redemptions.
3. The Company will allot and redeem shares as usual around 9 September 2021 under the existing waiver (approved by shareholders on 2 October 2020), which will increase the Concert Party's aggregate interests. The amount of the September allotments and redemptions is expected to be similar to recent

months and is expected to increase the Concert Party's aggregate interests by less than 2%. The September allotments will not change the Concert Party's maximum Projected Position as at 4 October 2022.

Shareholders should be aware that the percentage of shares carrying voting rights held by the Concert Party as at October 2022 might be higher than presented in the table as a result of the redemption of Shares by non-concert party shareholders and/or higher than projected EPS Additional Subscriptions.

With regards to redemptions, these are not in the control of the Company, and there is no limit to the number of shares that may be redeemed by shareholders which are not members of the Concert Party. Accordingly, there is no limit to the maximum shareholding of the Concert Party, and if the Whitewash Resolution is approved, the Concert Party will not be required to make an offer in accordance with Rule 9 of the City Code regardless of the amount of redemptions, and the Concert Party's maximum shareholding will not be subject to any cap.

With regards to EPS Additional Subscriptions, the Company expects that the Concert Party will subscribe for approximately 38 million of new Growth Shares in the period to October 2022, and accordingly increase its shareholding in the Company to 56.99% of the voting rights. That said, if the Whitewash Resolution is approved, the Concert Party will be allowed to subscribe for new shares which could take its shareholding to over 50% of the voting rights of the Company, following which the Concert Party will be able to acquire further shares without incurring any obligations to make a mandatory offer under Rule 9 of the City Code. Accordingly, the Concert Party might increase its shareholding to any level (including above 56.99%) without being required to make an offer in accordance with Rule 9 of the City Code (although the Concert Party's aggregate shareholding may only be increased to a level equal to or less than 50% of the shares carrying voting rights in the Company without triggering an obligation for a mandatory offer to be made under Rule 9 of the City Code if the Whitewash Resolution is approved by Independent Shareholders, and then only if the increase is as a result of EPS Additional Subscriptions by a member of the Concert Party or the redemption of shares by a person which is not a member of the Concert Party).

A subscription of new shares by the Concert Party, and/or a redemption of shares by a shareholder which is not a member of the Concert Party, will in each case be at a price equal to the prevailing Net Asset Value per share.

Shareholders should be aware that under the City Code, if a person (or group of persons acting in concert) holds interests in shares carrying 30% or more of the voting rights in that company and they do not hold shares carrying more than 50% of the voting rights in that company, no member of that group may acquire an interest in any other shares carrying voting rights in that company without incurring a similar obligation under Rule 9 to make a mandatory offer (save to the extent permitted by the Whitewash Resolution).

Shareholders should be aware that under the City Code, if a person (or group of persons acting in concert) holds shares carrying more than 50% of the Company's voting rights, that person (or any person(s) acting in concert with him) may acquire further shares without incurring any obligation under Rule 9 to make a mandatory offer, although individual members of the Concert Party will not be able to increase their percentage interest in shares through or between a Rule 9 threshold, without Panel consent. Such

persons should, however, consult with the Panel in advance of making such further acquisitions.

An offer under Rule 9 of the City Code must be made in cash (or with a cash alternative) and at the highest price paid by the person required to make the offer, or any person acting in concert with him, for any interest in shares of the company during the 12 months prior to the announcement of the offer.

Under Note 1 on the Dispensations from Rule 9 of the City Code, when the issue of new securities in consideration for an acquisition or a cash subscription would otherwise result in an obligation to make a general offer under Rule 9 of the City Code (“**Rule 9 Offer**”), the Panel will normally waive the obligation if, inter alia, there is an independent vote at a shareholders’ meeting.

The Panel has been consulted and has agreed to waive the requirement for each member of the Concert Party to make a general offer under Rule 9 of the City Code in cash for Shares in the Company which might otherwise arise as a result of the EPS Additional Subscriptions and/or redemptions, subject to the Whitewash Resolution (as set out in the notice convening the Annual General Meeting) being passed on a poll by the Independent Shareholders (being the Shareholders other than the members of the Concert Party). To be passed, the Whitewash Resolution will require a simple majority of the votes cast by the Independent Shareholders on a poll. Members of the Concert Party will not vote on the Whitewash Resolution.

The waiver to which the Panel has agreed under the City Code will be invalidated if any purchases are made (other than pursuant to the regular monthly subscriptions under the EPS and/or redemptions by non-EPS shareholders) by any member of the Concert Party, or any person acting in concert with it, in the period between the date of this document and the Annual General Meeting. Furthermore, other than pursuant to the regular monthly subscriptions under the EPS and as disclosed in paragraph 1.2 of section A of Part 2 of this document, no member of the Concert Party, nor any person acting in concert with it, has purchased Ordinary Shares in the 12 months preceding the date of this document.

In the event that the Whitewash Resolution is approved, the members of the Concert Party will not be restricted from making an offer for the Shares in the Company. However, the members of the Concert Party have each confirmed to the Company that they have no intention of doing so. This is a statement to which Rule 2.8 of the City Code applies.

5 THE INTENTIONS OF THE CONCERT PARTY

Save as stated in this document, the members of the Concert Party have each confirmed to the Company that they intend that the Company’s business in the future should operate as it currently operates and continue to grow its business and that they have no intention to make any changes to the manner in which the Company’s business is carried on at the date of this document.

In particular the Concert Party intends to make no change to:

- the future business of the Company, including research and development;

- the continued employment of the Company's employees and management and of its subsidiaries, including any material change in the conditions of employment or in the balance of skills and functions of the employees and management;
- the strategic plans for the Company, and their likely repercussions on employment and on the locations of the Company's places of business, including on the location of the Company's headquarters and headquarters functions;
- employer contributions into the Company's pension scheme(s) (including with regard to current arrangements for the funding of any scheme deficit (of which there is none)), the accrual of benefits for existing members, and the admission of new members;
- the deployment of the fixed assets of the Company; and
- the maintenance of any existing trading facilities (of which there are none) for the relevant securities of the Company.

6 INDEPENDENT ADVICE

The City Code requires the Independent Directors to obtain competent independent advice regarding the merits of the Proposal. Michael Posen and James Brydie are considered Independent Directors. Michael van Messel is not considered independent as he is Head of Finance of Shore Capital Group Limited.

SPARK has provided formal advice to the Independent Directors regarding the Proposal and in providing such advice SPARK has taken into account the Independent Directors' commercial assessments.

7 ANNUAL GENERAL MEETING

You will find at the end of this document a notice convening the Annual General Meeting of the Company, to be held at 11.00 a.m. at Cassini House, 57 St James's Street, London SW1A 1LD on 5 October 2021, at which the following Resolutions will be proposed:

7.1 The Whitewash Resolution

The Whitewash Resolution is an ordinary resolution which relates to the disapplication of Rule 9 of the City Code to an increase in the aggregate holding of the Concert Party as a result of the EPS Additional Subscriptions and/or redemptions of Income Shares and Growth Shares. The Panel has confirmed that, subject to the Whitewash Resolution being passed by the requisite majority of the Independent Shareholders on a poll, no mandatory bid obligation on any member of the Concert Party under Rule 9 of the City Code would be triggered by virtue of the EPS Additional Subscriptions and/or redemptions of Income Shares and Growth Shares.

In accordance with the requirements of the City Code, the members of the Concert Party will not vote on the Whitewash Resolution in respect of their aggregate holding of 2 Ordinary Shares and 51,002,643 Growth Shares.

Voting on the Whitewash Resolution will be by way of a poll and, following the General Meeting, the Company will announce the result on its website, the address of which is: <http://www.pumaheritage.co.uk/>

7.2 Other Annual General Meeting business

The other resolutions to be proposed at the Annual General Meeting are to authorise the directors to allot shares and disapply pre-emption rights, to receive and adopt the accounts of the Company for the year ended 28 February 2021 and to reappoint the Company's auditors and authorise the directors to set the auditors' remuneration.

7.3 Important information regarding attendance at the Annual General Meeting

As at the date of this document, restrictions on travel and the ability of persons to meet in indoor locations have been lifted in England. However, there remains the possibility that between the date of this document and the date of the Annual General Meeting such restrictions could be re-imposed. In the event of any such restrictions being imposed, the Company may be required to restrict entry to the meeting's location in which case any third party appointed as a proxy will not be permitted to attend the meeting and therefore will not be able to vote.

Shareholders are therefore urged to vote in advance by proxy and to appoint the Chairman of the Meeting as their proxy.

8 ADDITIONAL INFORMATION

Your attention is drawn to the additional information on the Company, the Trading Adviser, Shore Capital Limited and Shore Capital Group Limited in Part 2 of this document.

9 ACTION TO BE TAKEN

You will find enclosed a Form of Proxy for use at the Annual General Meeting. Please complete, sign and return the Form of Proxy as soon as possible in accordance with the instructions printed thereon. Whether or not you intend to be present at the Annual General Meeting, you are requested to complete the enclosed Form of Proxy and return it to the Company's Registrar, SLC Registrars, PO Box 5222, Lancing, BN99 9FG so as to arrive as soon as possible, and in any event no later than 48 hours (not including non-working days) before the time appointed for the Annual General Meeting. Completion and return of the Form of Proxy will not preclude you from attending the Annual General Meeting and voting in person should you wish to do so. However, your attention is drawn to paragraph 7.3 above regarding attendance at the Annual General Meeting.

10 RECOMMENDATION

The Independent Directors, who have been so advised by SPARK, consider the continuing issue and allotment of shares as a result of subscriptions through the EPS and the proposed Whitewash Resolution as described in this document to be fair and reasonable and in the best interests of Independent Shareholders and of the Company as a whole. In providing its advice to the Independent Directors, SPARK has taken into account the Independent Directors' commercial assessments.

Accordingly, the Independent Directors recommend that the Independent Shareholders vote in favour of the Whitewash Resolution.

No shares in the Company are held by any Director or any of their close relatives.

Yours sincerely

Michael Posen

Independent Chairman

Notes:

1. Note that in order to comply with the City Code on Takeovers and Mergers, resolution 1 will be taken on a poll and the members of the Concert Party have undertaken not to vote on resolution 1. On a poll every shareholder who is present, in person or by proxy, shall have one vote for every ordinary share held by him. On a poll, votes may be given either personally or by proxy. A shareholder entitled to more than one vote need not use all of his votes or cast all of the votes he uses in the same way.
2. A member who is entitled to attend and vote at this Meeting may appoint one or more proxies to attend, speak and vote on his/her behalf. A shareholder may appoint more than one proxy in relation to the Meeting provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. Such a proxy need not be a member of the Company. To appoint more than one proxy you may photocopy the proxy form. Please indicate the proxy holder's name and the number of shares in relation to which they are authorised to act as your proxy (which, in aggregate, should not exceed the number of shares held by you). Please also indicate if the proxy instruction is one of multiple instructions being given. All forms must be signed and should be returned together in the same envelope. **Shareholders are urged to vote in advance by proxy and to appoint the Chairman of the Meeting given the possibility that restrictions in place at the date of the Meeting may mean that no Shareholders or proxies are permitted to attend.**
3. In the case of joint shareholders, a vote tendered by the senior holder shall be accepted to the exclusion of all other joint holders. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first-named being the most senior).
4. The quorum for the meeting is two shareholders present either in person or by proxy. The majority required for the passing of the resolutions is a simple majority of the total number of votes cast on that resolution. Shareholders are entitled to ask questions in relation to the business of the meeting.
5. To allow effective constitution of the meeting, if it is apparent to the Chairman that no shareholders will be present in person or by proxy, other than by proxy in the Chairman's favour, then the Chairman may appoint a substitute to act as proxy in his stead for any shareholder, provided that such substitute proxy shall vote on the same basis as the Chairman.
6. To be valid, a Form of Proxy and the original (or certified true copy) of any power of attorney or other authority under which the Form of Proxy is signed must be lodged with the Company's registrars, SLC Registrars, PO Box 5222, Lancing, BN99 9FG no later than 48 hours before the Meeting, weekends and public holidays excluded i.e., by 11.00 a.m. on 1 October 2021. A Form of Proxy for use by shareholders is enclosed. Completion of the Form of Proxy will not prevent a shareholder from attending the Meeting and voting in person.
7. Any corporate shareholder can appoint one or more corporate representative who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares. In order to appoint a corporate representative a corporate shareholder must provide a letter of representation to their chosen representative, which must be surrendered to the Company upon registration at the Meeting.

In the case of joint holders, the Form of Proxy should be signed by the senior holder and the names of all joint holders should be shown.
